

AMENDED ITEMS—JANUARY 21, 2014

REGULAR AGENDA:

1b. Additional Hazard Mitigation Grant Program acquisitions

SUGGESTED MOTION:

Move to authorize the Cass County Engineer to coordinate potential flood buyouts with FEMA, North Dakota Department of Emergency Services (NDDDES), City of Fargo, and Lake Agassiz Regional Council.

1c. Flood Diversion land purchases

SUGGESTED MOTION:

Move to follow the recommendation of the Flood Diversion Finance Committee and fund the land being purchased by the Cass County Joint Water Resource District on behalf of the Flood Diversion Authority.

1d. State Water Commission payment to City of Fargo

SUGGESTED MOTION:

Move to authorize the chairman to sign the approval letter for the State Water Commission to distribute funds in the amount of \$1,776,282 to the City of Fargo pursuant to the terms and conditions of Senate Bill 2020.

SUBJECT: Agenda topic for January 21, 2014 Commission Meeting:
Information on Potential FEMA Hazard Mitigation Grant
Program (HMGP) Funding for Additional Flood Home
Buyouts

In late December I attended a meeting with FEMA and the City of Fargo regarding HMGP funding. The City of Fargo had applied for \$25 million for the construction of the 2nd St Levee in downtown Fargo. Since this project is now a mitigation component of the FM Diversion, FEMA disapproved the \$25 million in funding. FEMA is interested in utilizing this funding for projects in the area. The City of Fargo has evaluated several storm water lift projects that would be eligible, however, between \$6 and \$8 million may be available for flood buyouts.

At that meeting FEMA also provided a letter addressing buyouts. This letter states any structure under \$276,000 and within the 100-year floodplain will be allowed to use a streamline process that eliminates the need for a benefit cost analysis. Therefore, homes that meet these two standards will automatically be considered for buyout.

Areas have been evaluated for potential buyouts. The most vulnerable homes and hardest to protect areas are along Cass 81 on the Red River. These homes include all remaining homes in the Chrisan Subdivision, Forest River Road, south of Round Hill, and Heritage Hills. In addition, homes south of Cass 16 and north of Oxbow along Pfiffer and Klitzke Drive would be included. All of these areas have current home buyouts ongoing in the same neighborhoods. In addition, the potential buyout of West Chrisan would allow the City of Fargo to build permanent flood protection along the west side of Cass 81. This would eliminate the need for temporary flood protection east of Cass 81, except around the Maple Prairie subdivision. The construction of flood protection west of Cass 81 will also eliminate the need for a \$3.7 million flood wall that would be required if flood protection was built on the east side of Cass 81. In addition, the City of Fargo is currently planning on constructing a permanent levee on the

1201 Main Avenue West
West Fargo, North Dakota
58078-1301

701-298-2370
Fax: 701-298-2395

west side of Cass 81 from 64th Ave S to 70th Ave S. These purchases would allow for a more contiguous flood protection along the west side from 64th Ave S to 76th Ave S, and would tie in better with the City of Fargo's long range flood plan. It would also eliminate County's cost for the \$6.4 million total construction for a levee and flood wall running on the east side from Briarwood to 76th Ave S.

The cost of these buyouts would be a total of \$8.6 million, of which the HMGP would pay for 85% or \$7.3 million, and the local costs would be 15% or \$1.3 million. The local costs would be by Cass County, with the potential to receive some local match from Fargo.

While this information has just recently been provided us, we only have until March 31, 2014 to submit for any additional buyouts through FEMA. To complete this application by March 31, coordination with FEMA, NDDDES, the City of Fargo, and the Lake Agassiz Regional Council must take place. In addition, some additional consulting engineering and agreements with Lake Agassiz Regional Council will be required.

SUGGESTED MOTION:

Authorize the Cass County Engineer to coordinate for potential flood buyouts with the, FEMA, NDDDES, the City of Fargo, and the Lake Agassiz Regional Council.

Potential Flood Buyouts

Map of Potential Buyouts

- Hali will be finishing this map on Tuesday

Streamline HMGP Process

FEMA letter states:

- Structure under \$276,000 and within the 100-year floodplain will be allowed to use a streamline process that eliminates the need for a benefit cost analysis.
- Homes that meet these two standards will automatically be considered for buyout.
- 47 of the 49 homes are less than \$276,000
- Nearly all homes are within the 100-year floodplain

Levee Alignment East of C81:

Option 1

Levee Running on Chrisan Blvd

- Earthen Levee Cost = \$2.22 million
- Flood Wall Cost = \$3.72 million
- Total Cost = \$5.94 million

- Buyout Cost:
 - FEMA = \$0
 - Local = \$0
 - Total = \$0

- Total Cost to Cass County:
\$5.94 million

Levee Alignment East of C81:

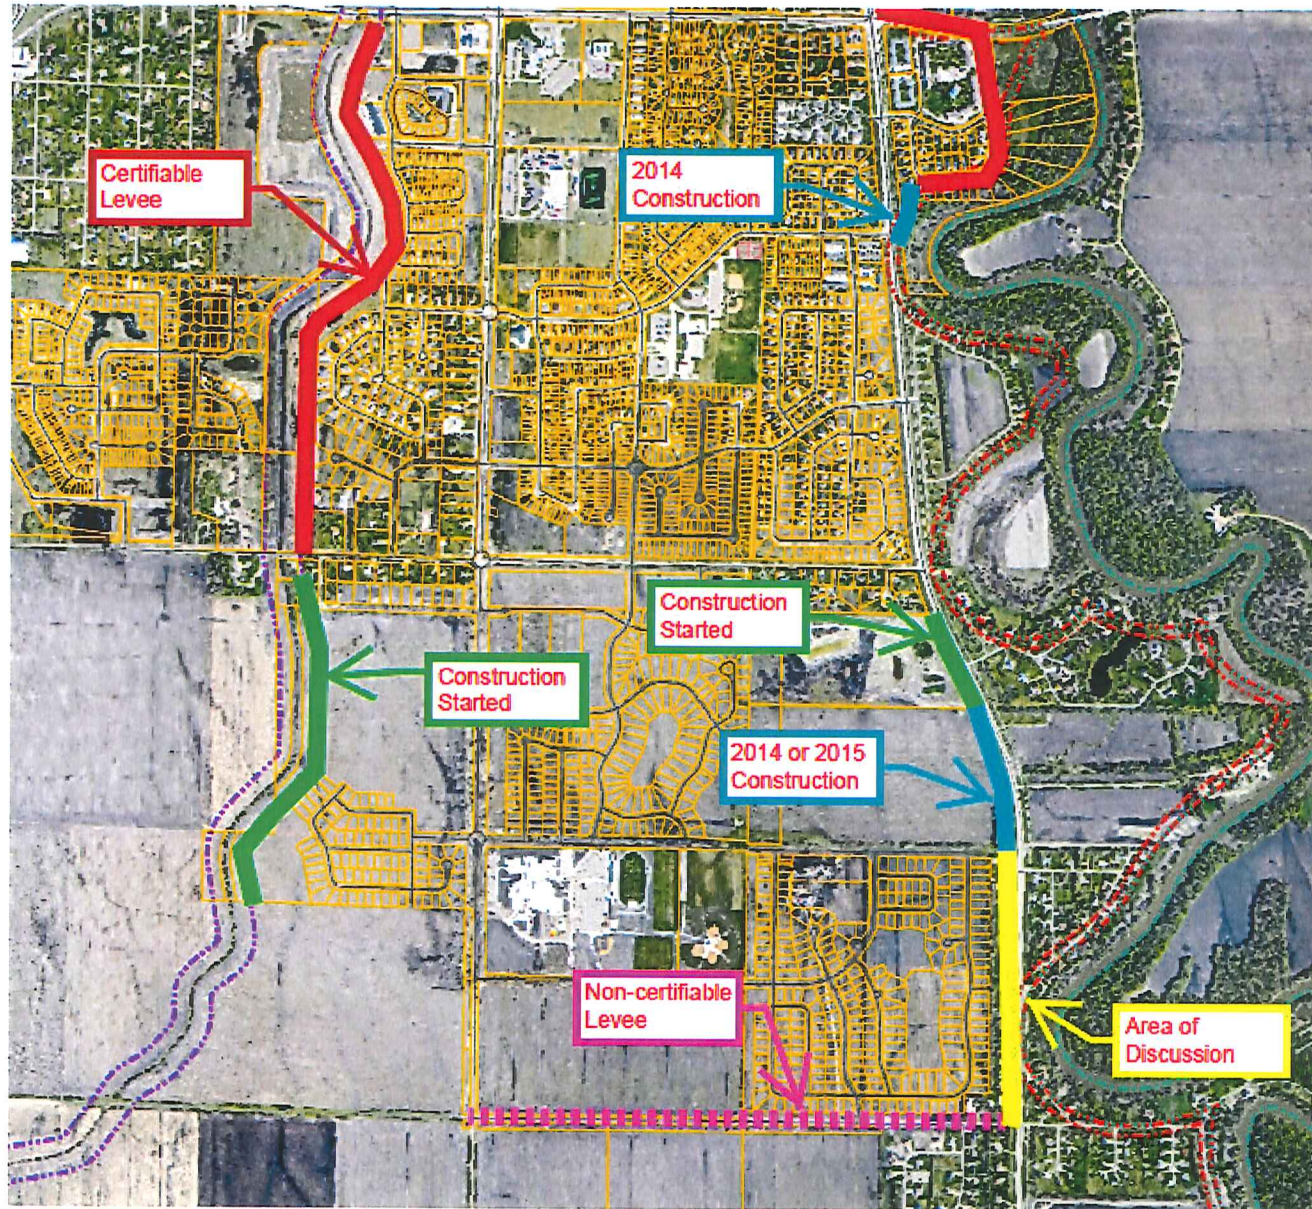

Option 2

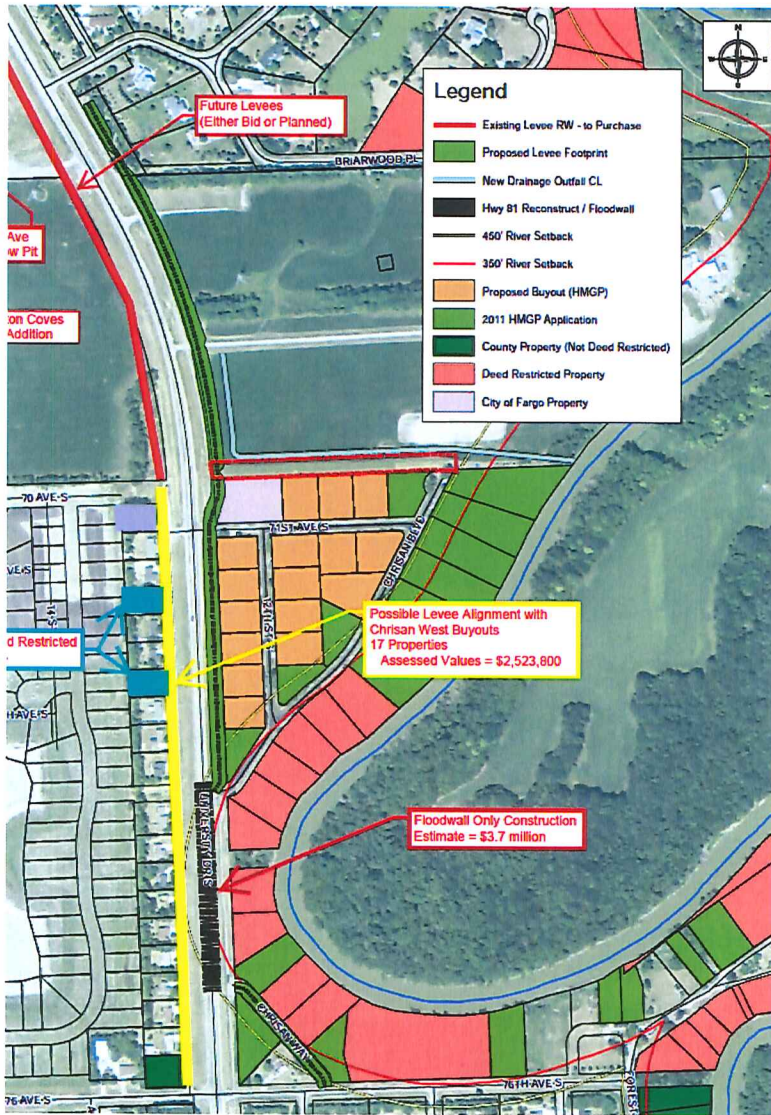

Levee Running in the East Ditch

- Earthen Levee Cost = \$2.16 million
- Flood Wall Cost = \$3.72 million
- Total Cost = \$5.88 million
- Buyout Cost:
 - FEMA = \$3.07 million
 - Local = \$0.54 million
 - Total = \$3.61 million
- Total Cost to Cass County:
 $\$5.88 + \$0.54 = \$6.42$ million

Fargo Flood Plan

Levee Alignment West of C81

Levee Running in the West Ditch Requires Buyout of West Chrisan

- Earthen Levee Cost = Paid by Fargo
- Flood Wall Cost = \$0
- Total Cost to County = \$0
- Buyout Cost:
 - FEMA = \$5.21 million
 - Local = \$0.92 million
 - Total = \$6.13 million
- Total Cost to Cass County: \$0.92 million

Cost of West Chrisan Buyout vs. East C81 Levee

Levee Running on Chrisan Blvd

- Total Cost to Cass County: Levee \$5.94 million

Levee Running in the East Ditch

- Total Cost to Cass County: Levee \$5.88 + Buyouts \$0.54 = \$6.42 million

Levee Running in the West Ditch

- Total Cost to Cass County: Buyouts Only = \$0.92 million

Total Costs for Buyouts

All buyouts including along C81, Forest River, and south of C16:

- Total Cost = \$8,636,400
- FEMA Cost Share = \$7,340,940
- Cass County Cost Share = \$1,295,460

Flood Prone and Flood Insurance

The areas looked at for buyouts are flood prone and have been consistently in of temporary flood protection through temporary levees and sandbags.

These areas are also within the 100 year floodplain and will see substantial increases in flood insurance.

CASS COUNTY COMMISSION

Re: Diversion Land Purchases and Cash Flow

Dear Commissioners:

The Joint Cass County Joint Water Resource Districts has been authorized by the Flood Diversion Authority to purchase land on behalf of the Diversion Authority. They have some closings this week, and over the next two months for the purchase of farm land located in the path of and alongside of the diversion channel. A list of the anticipated closings is attached.

The Diversion Finance Committee met today and recommended that the Flood Diversion Authority fund the purchases on or near the closing dates for the properties. The Finance Committee also recommended that the Cass County sales tax be used to fund the purchases at this time because the county has the cash available from the sales tax proceeds. The Fargo city sales tax fund is less robust due to diking and other flood proofing programs being implemented within Fargo. The city will also be filing with the State Water Commission for possible cost share on at least a portion of the land being purchased.

At the present time, the Sales Tax Fund has sufficient reserves to handle the purchases. The current reserve is \$16 million with a little over \$2 million of that balance reserved for projects outside the diversion. We are exploring short-term financing options for the Diversion as we get into more property purchases and construction in Oxbow and the City of Fargo.

Sincerely,

Michael Montplaisir, CPA
Cass County Auditor

January 20, 2014

Dave Laschkewitsch
North Dakota State Water Commission
900 East Boulevard Avenue, Dept 770
Bismarck, ND 58505-0850

Dear Dave,

The City of Fargo is submitting eligible costs for reimbursement request # 24 pursuant to the terms and conditions of Senate Bill 2020. These costs are summarized in the attached cost summaries and are supported by detailed disbursement records included within this submission. This submission represents costs incurred from December 1, 2013 through December 31, 2013.

The total amount of claim for reimbursement is \$1,776,282.

In accordance with our previous discussions and clarification of matching requirements, we certify that \$40.8 million has been expended on the acquisition of homes and that these costs are eligible for the local matching share requirements of SB 2020. Records relating to these costs are on file with the City of Fargo in the Office of the City Auditor.

The Cass County Commission and the Cass County Joint Water Resource Board have approved our request for funds as required in SB 2020. Copies of their approval letters are included.

If you have any questions relating to our request, please contact me directly.

Sincerely,

A handwritten signature in black ink that reads "Kent Costin".
