**Subject:** Informational Meeting on Land Acquisition Process

Team,

We have had some discussion about scheduling a special informational meeting for the 6-member entities. The meeting would include a presentation and focus on land acquisition processes (explain why we are doing land acquisitions in the manner in which they are being done) and provide the requested details on one of the recent replacement housing agreements in oxbow. This will primarily be an informational presentation, but we will make a suggested action item to direct staff to work on amending the Oxbow MOU.

After talking with reps from Fargo and Cass Co, we would like to schedule this meeting for 7:30 am on Friday, October 2. It was suggested to invite all board/commission/counsel members from the 6 member entities of the DA.

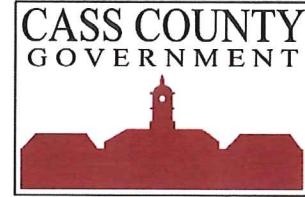

Bruce/Keith, any final thoughts or comments on this strategy?

Sharon/Heather, can you help arrange a venue and send notices/invites?

Please let us know if you have any questions or need anything from us.

Thanks,

Eric Dodds  
AE2S
