**METRO FLOOD DIVERSION AUTHORITY
OCTOBER 26, 2017—3:30 PM**

1. MEETING TO ORDER

A meeting of the Metro Flood Diversion Authority was held Thursday, October 26, 2017, at 3:30 PM in the Fargo City Commission Room with the following members present: Fargo City Commissioner Tony Grindberg; Fargo City Mayor Tim Mahoney via conference call; Cass County Commissioner Mary Scherling via conference call; Cass County Commissioner Rick Steen; Cass County Commission representative Darrell Vanyo; Moorhead City Mayor Del Rae Williams via conference call; Moorhead City Council Member Chuck Hendrickson; Moorhead City Council Member Joel Paulsen; Clay County Commissioner Kevin Campbell; Clay County Commissioner Grant Weyland; Cass County Joint Water Resource District Manager Mark Brodshaug; and West Fargo City Commissioner Mike Thorstad. Fargo City Commissioner Dave Piepkorn was absent.

2. MINUTES APPROVED

MOTION, passed

Mr. Brodshaug moved and Mr. Paulsen seconded to approve the minutes from the October 12, 2017, meeting as presented. Motion carried.

3. AGENDA ORDER

MOTION, passed

Mr. Paulsen moved and Mr. Weyland seconded to approve the order of the agenda. Motion carried.

4. MANAGEMENT UPDATE

Program management consultant (PMC) report

Randy Richardson from CH2M provided an update on activities over the last month. As a result of the injunction ruling by the federal court, a Governors' Task Force was formed by North Dakota Governor Doug Burgum and Minnesota Governor Mark Dayton to hold discussions on permanent flood protection. The first meeting of the task force was held on October 23rd, and the next meeting is scheduled for November 1st.

OHB levee construction continues in accordance with a stipulated agreement allowing construction through 2017 with concurrence from the MN DNR. New in-town levee construction, County Road 16 and 17 realignment construction, P3 procurement activities, and land acquisitions are on hold as a result of the injunction.

Robert Cowen from CH2M provided a brief financial update on the overall program status and said \$393 million has been expended to date. He said \$59.5 million has been expended out of the \$240 million FY2017 budget.

Mr. Cowen provided a construction update on continued work on in-town levees, landscaping and plantings, and Oxbow home demolition and relocation projects. Construction has been suspended on the County Road 16 and 17 realignment project; however, the County Road 17 bypass is expected to open for traffic next week.

5. CORPS OF ENGINEERS UPDATE

Terry Williams, Corps of Engineers Project Manager, provided a brief update and said as a result of the injunction, the Corps conducted an orderly shutdown of construction at the inlet control structure site on September 8th. She said the Corps will support the efforts of the Governors' Task Force as needed.

6. ADMINISTRATIVE/LEGAL UPDATEInterim Project Management Plan

Michael Redlinger, Co-Executive Director and Assistant Fargo City Administrator, said in an effort to reduce costs during the injunction, there has been a reduction in program management activities and staffing. He said an interim project management plan will be brought to the Finance Committee and Diversion Authority in the upcoming weeks for consideration.

7. PUBLIC OUTREACH UPDATECommittee report

The Public Outreach Committee met on October 25th. Rocky Schneider from AE2S said staff have been working with the Governors' offices to include information on the fmdiversion.com website regarding the task force. Mr. Vanyo said a link to the video of the October 23rd meeting is on the website.

8. LAND MANAGEMENT UPDATE

The Land Management Committee met on October 25th. Mr. Brodshaug said the committee discussed the flowage easement valuation study. Four proposers submitted RFQs; however, due to the injunction, a decision to award a contract was put on hold. The committee discussed possible changes to the project that may occur as a result of the task force and recommended staff talk with a few of the proposers about submitting a more defined proposal to bring back to the Land Management and Finance Committee for review.

9. FINANCE UPDATECommittee report

The Finance Committee met on October 25th. Mr. Grindberg briefly discussed the financial report.

2018 Budget

Mr. Cowen discussed a handout on the FY2018 budget which includes figures on the program budget with existing commitments; FY2017 cash budget and year-end estimated costs; and FY2018 draft budget with cash budget (pre-injunction plan) and stand down budget.

Recommended Contracting Actions

Mr. Cowen discussed the following contracting actions, which were approved by the Finance Committee and Technical Team:

- Hoffman & McNamara (WCD 01 In-Town Levees General Landscaping and Plantings)—work change directive at no cost to move site furnishings to 2018;
- Meyer Contracting (WCD 02 OHB Ring Levee – Phases C and D)—work change directive in the amount of \$71,000.00 to removal unsuitable organic material from the north pond borrow site;
- Industrial Builders, Inc. (Change Order 18 2nd Street North/South of Pump Station)—change order for a reduction of \$147,981.32 to modify the generator connection wire quantity, add fiber optic wire and conduit on 1st Avenue North, balance unit price quantity, and final completion of the time extension;
- Schmidt & Sons (Change Order 01 OHB Home Removal)—change order to provide a time extension to allow for a home removal at no cost;
- Landwehr Construction, Inc. (Change Order 01 OHB Home Removal)—change order to allow a substantial completion time extension for a home removal at no cost.

MOTION, passed

Mr. Vanyo moved and Mr. Steen seconded to approve the work change directives and change orders as outlined. On roll call vote, the motion carried unanimously.

Voucher approval

The bills for the month are with the Cass County Joint Water Resource District (CCJWRD) for costs associated with the Metro Flood Diversion, Diversion Project Assessment District, OHB levee, Oxbow Golf and Country Club, and in-town levees; Dorsey & Whitney LLP for legal services; Erik R. Johnson & Associates, Ltd. for legal services; and Ohnstad Twichell, P.C. for legal services.

MOTION, passed

Mr. Vanyo moved and Mr. Steen seconded to approve the vouchers received through October 19, 2017, in the amount of \$2,884,234.85. On roll call vote, the motion carried unanimously.

10. NEXT MEETING

The next meeting will be held on Thursday, November 16, 2017.

11. EXECUTIVE SESSION

North Dakota state law allows the board to meet in private session to consult with legal counsel to discuss ongoing litigation.

MOTION, passed

Mr. Steen moved and Mr. Vanyo seconded that the Metro Flood Diversion Authority meet in executive session pursuant to N.D.C.C. § 44-04-19.1, subsections 2 and 9, to consult with its Attorneys regarding the ongoing litigation in the matters of Richland/Wilkin JPA and MNDNR v. the United States Army Corps of Engineers and Fargo Moorhead Flood Diversion Authority as Intervenor, Civil File No. 0:13-cv-02262-JRT-LIB and the contested case hearing before the Minnesota Office of Administrative Hearings regarding the MNDNR permit for Metro Flood Diversion Authority. On roll call vote, the motion carried unanimously.

Diversion Authority board members, key administrative staff, Attorney Robert Cattnach, and Attorney John Shockley moved to the River Room at 3:50 PM.

The executive session ended at 4:43 PM, and the meeting was re-opened to the public.

12. ADJOURNMENT***MOTION, passed***

On motion by Mr. Campbell, seconded by Mr. Weyland, and all voting in favor, the meeting was adjourned at 4:45 PM.

**METRO FLOOD DIVERSION AUTHORITY
NOVEMBER 2, 2017—3:30 PM**

1. MEETING TO ORDER

A meeting of the Metro Flood Diversion Authority was held Thursday, November 2, 2017 at 3:30 PM in the Fargo City Commission Room with the following members present: Fargo City Mayor Tim Mahoney; Fargo City Commissioner Dave Piepkorn; Fargo City Commissioner Tony Grindberg; Cass County Commissioner Mary Scherling (via conference call); Cass County Commissioner Chad M. Peterson; Moorhead City Mayor Del Rae Williams; Moorhead City Council Member Chuck Hendrickson; Moorhead City Council Member Joel Paulsen; Clay County Commissioner Kevin Campbell; Cass County Joint Water Resource District Manager Rodger Olson; and West Fargo City Commissioner Mike Thorstad.

Cass County Representative Darrell Vanyo and Clay County Commissioner Grant Weyland were absent.

2. Mr. Mahoney stated that he would like to amend the order of agenda to include a short presentation by Fargo City Division Engineer Nathan Boerboom.

Mr. Boerboom said a few things happened yesterday at the Governor's Task Force meeting, one being that the charter was approved with the key item being the 100-year accreditation by FEMA will be part of the charter so at a bare minimum a project will be accreditable for FEMA certification. Otherwise, he said, the hydrology was discussed at great length by FEMA, local sponsors, as well as DNR staff. Ultimately, he said, it was decided to move forward with a period of record which is the 33,000 cfs.

Mr. Boerboom displayed a graph that showed the maximum daily flow rate at the Fargo gauge in cubic feet per second dating from the 1900's to 2009.

Moorhead City Engineer Bob Zimmerman said part of the discussion was about the minimum goal being 100-year certifiable protection with the ability to flood fight to a 500-year flood. He said this will play a critical role when alternatives are considered by the group.

3. EXECUTIVE SESSION

North Dakota state law allows the Board to meet in private session to consult legal counsel to discuss ongoing litigation and contract negotiations.

MOTION, passed

Mr. Piepkorn moved and Mr. Campbell seconded that the Metro Flood Diversion Authority meet in Executive Session pursuant to N.D.C.C. § 44-04-19.1, subsections 2 and 9, to consult with its Attorneys regarding the ongoing litigation in the matters of Richland/Wilkin JPA and MNDNR v. the United States Army Corps of Engineers and Fargo Moorhead Flood Diversion Authority as Intervenor, Civil File No. 0:13-cv-02262-JRT-LIB and the contested case hearing before the Minnesota Office of Administrative Hearings regarding the MNDNR permit for Metro Flood Diversion Authority. All voting in favor, the motion carried unanimously.

Diversion Authority Board members, key administrative staff, Attorney Robert Cattnach (via conference call), and Attorney John Shockley moved to the River Room at 3:35 PM.

The Executive Session ended at 4:20 PM and the meeting was re-opened to the public.

4. ADJOURNMENT

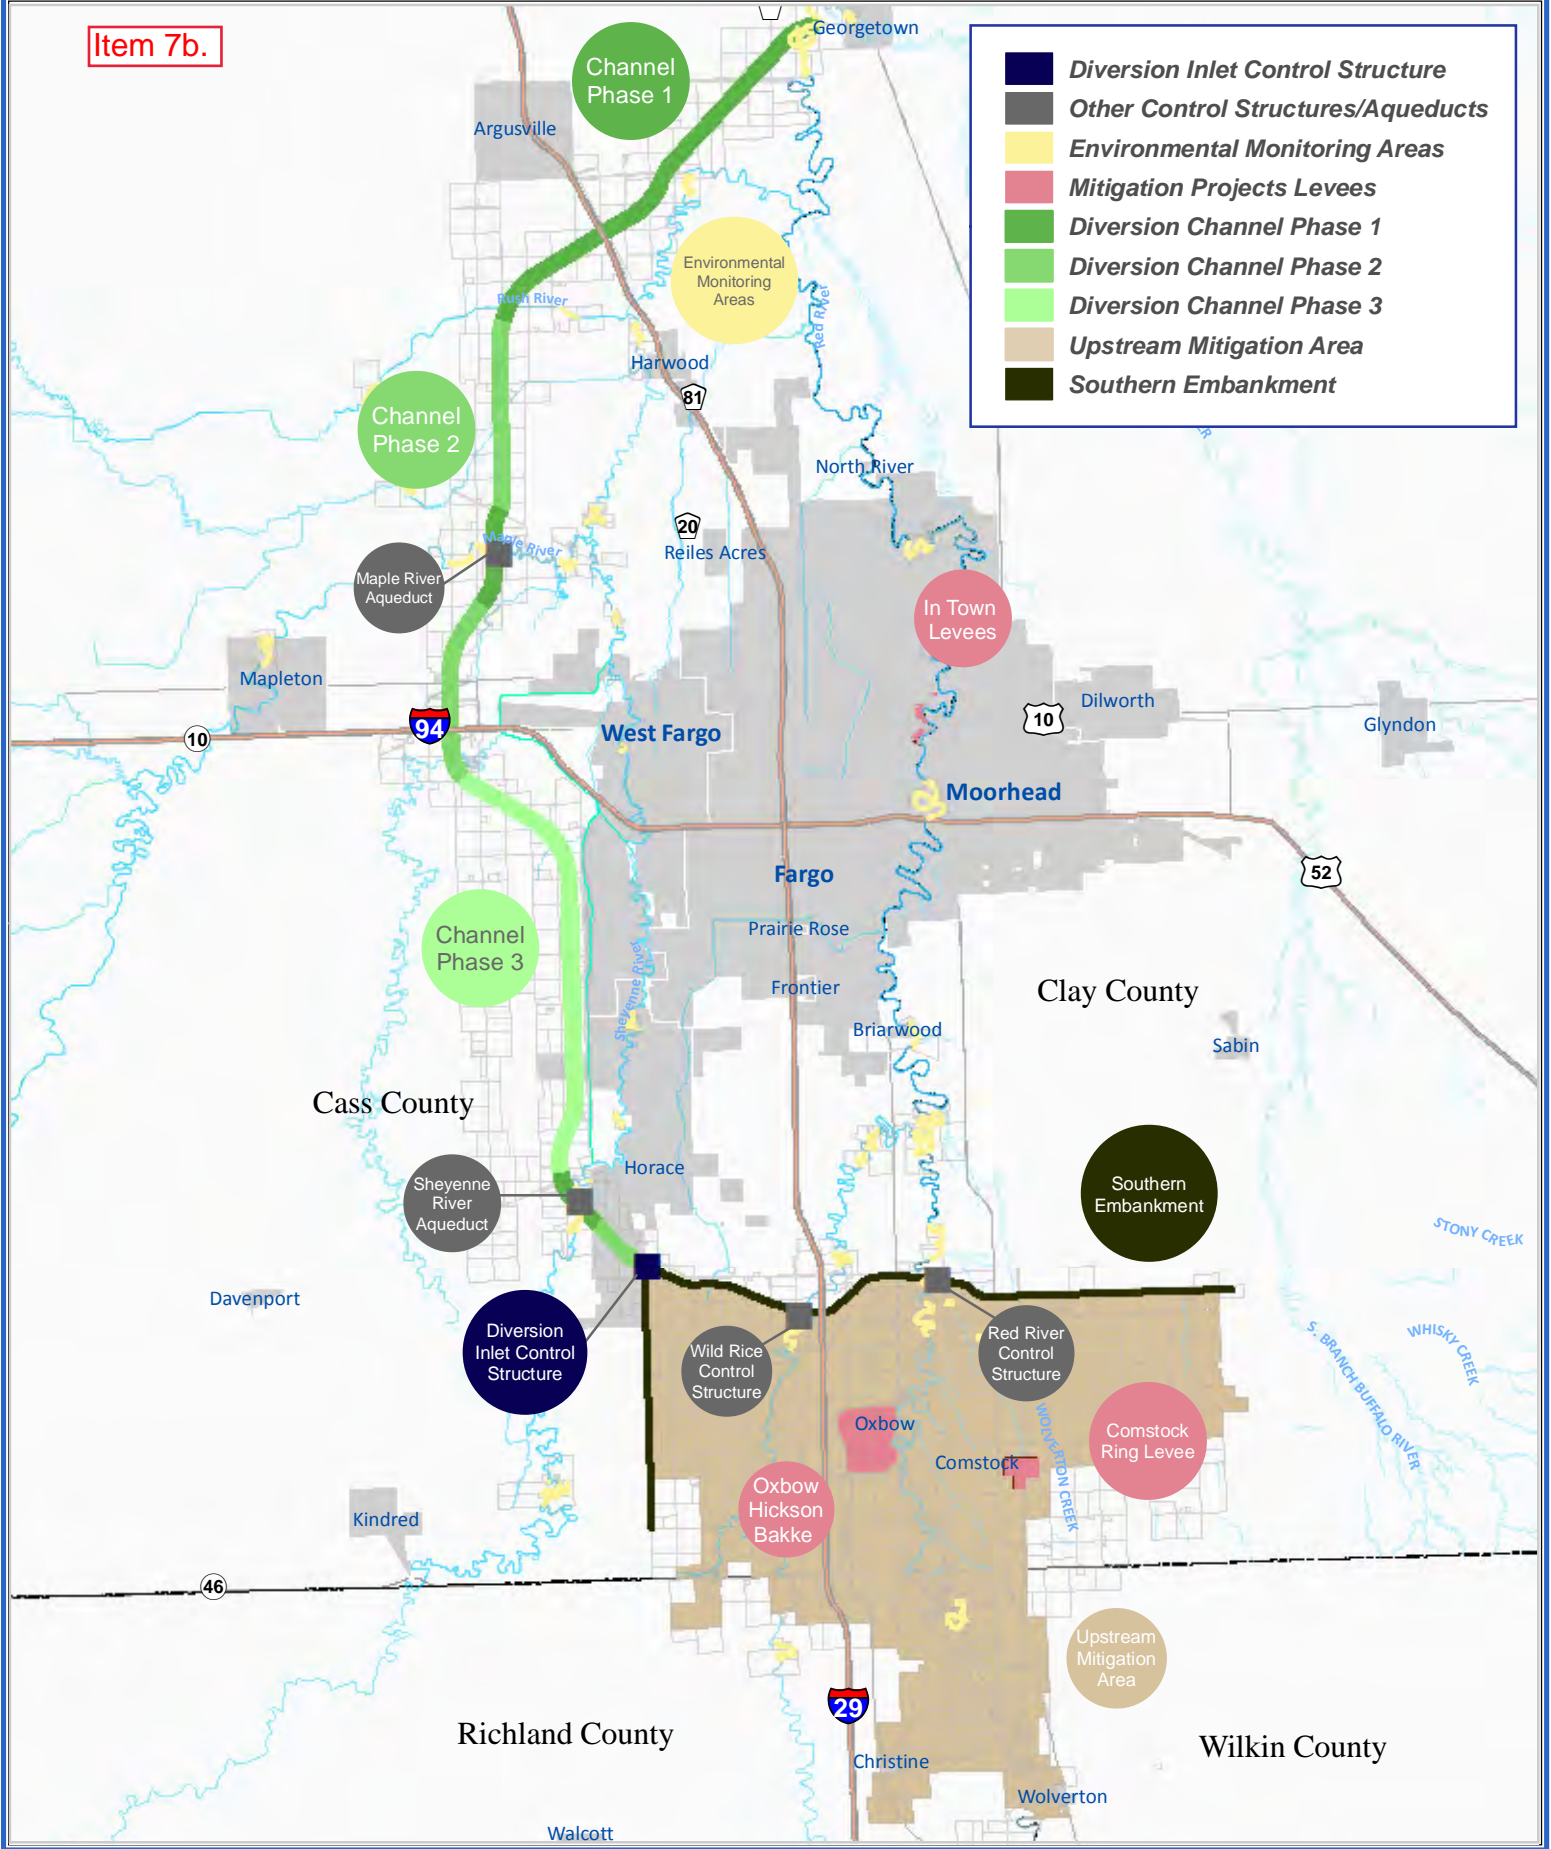

MOTION, passed

On motion by Mr. Campbell, seconded by Mr. Hendrickson and all voting in favor, the meeting was adjourned at 4:28 PM.

ALL INVOICES ARE DUE 30 DAYS FROM DATE OF INVOICE UNLESS OTHERWISE EXPRESSLY AGREED BY DORSEY & WHITNEY

October 1, 2017

Valued Client,

Standard hourly billing rates for many Dorsey lawyers are increasing effective October 1, 2017. The median standard hourly billing rate increase for attorneys across all of our offices and practice areas is 3.2%. In addition to this rate increase, certain associates may also have a step-up in their standard billing rate as a result of normal class-year promotion.

The actual change in hourly billing rates for timekeepers working on your specific matters is likely to vary from the median. This increase may or may not apply to specific engagements you have with the Firm depending on whether a particular engagement is based on the Firm's standard hourly billing rates or on some other fee arrangement.

Dorsey's domestic average lawyer billing rates have historically been among the lowest for firms of our size and caliber. We pride ourselves on delivering real value to our clients and believe our rates are very competitive with peer firms in our offices' locations. We strive to continue being one of the best values among all comparable law firms.

As you know, billing rates are just one component of the total cost of legal services. We provide our services to you in the most effective and efficient manner appropriate for the engagement. We staff matters based on thoughtful consideration of your needs, and we always strive to deliver maximum value to the client from every minute devoted to your matters. We have a Legal Project Management team and matter management software that help ensure our engagements are planned well, staffed correctly and managed efficiently. We do not charge clients for costs of copying or computerized legal research services.

Dorsey also enhances value delivered to clients by offering superb training and continuing legal education opportunities to client personnel at no additional cost.

We are notifying you of this change in standard billing rates as part of our normal custom and practice with respect to periodic billing rate increases.

We are thankful for our relationship and look forward to continuing to serve you in your current and future legal needs. We would be happy to discuss any aspect of this letter with you at your convenience.

Sincerely,

Dorsey & Whitney LLP

Technical Advisory Group Recommendation

Meeting Date: 10/26/2017

RECOMMENDATION FOR ACTION:

The Technical Advisory Group has reviewed and recommends approval of the following Contract Action(s).

SUMMARY OF CONTRACTING ACTION:

Per the contract review and approval procedures that were adopted by the Diversion Authority on November 10, 2016, the Owner’s Program Management Consultant (PMC) or Engineer of Record (EOR) shall submit a construction Change Order request to the Technical Advisory Group. The Technical Advisory Group shall review the Change Order request during its next regular meeting after receiving the Change Order request, and make a recommendation as to approval or denial of the Change Order request.

The Owner’s Representative has reviewed and recommends the following Contract Action(s):

Description	Budget Estimate (\$)
WP-28A: Riley Brothers, Inc.	
<i>Change Order #2</i>	469,811.19
<ul style="list-style-type: none"> • Incorporate WCD-02, CR-17 temporary bypass road • Add ditch cleaning, reshaping, and seeding • Add standby time and partial demobilization costs 	

Summary of Contracting History and Current Contract Action:

The MFDA awarded the WP-28A construction contract to Riley Brothers, Inc. on July 14, 2017 and construction work was started.

On September 7, 2017, a court ordered temporary injunction was issued that stopped construction on the project. Because the planned roadway could not be complete and the construction detour was approximately six miles long and not reasonable for an extended period of time, a temporary bypass plan was prepared and approved by the federal judge on October 3, 2017, and authorization was given to the Contractor via WCD-02 to construct the CR-17 temporary bypass road. This change order incorporates WCD-02, adds ditch cleaning, reshaping, and seeding, and adds standby time and partial demobilization costs. The costs associated with this change order are due to the temporary injunction.

Below is a summary of contracting history to date along with the current contracting action, Change Order 2.

Original Agreement or Amendment	Previous Project Cost	Budget (\$) Change	Revised Project Cost	Project Start	Project Completion	Comments
Original Contract	0.00	0.00	3,176,953.92	7-Aug-17	27-Jul-18	Contract Award to Riley Brothers.
Change Order No. 1	3,176,953.92	31,155.84	3,208,109.76	7-Aug-17	27-Jul-18	Incorporate WCD-01, add culvert, adjust unit price quantities

Original Agreement or Amendment	Previous Project Cost	Budget (\$) Change	Revised Project Cost	Project Start	Project Completion	Comments
Change Order No. 2	3,208,109.76	469,811.19	3,677,920.95	7-Aug-17	27-Jul-18	Incorporate WCD-02, add ditch cleaning/reshaping, add standby time and partial demobilization costs

Change Order No. 2 Discussion:

The PMC reviewed the proposed change order and a summary of that review is listed below. Change Order No. 2 adds the following changes for an increase of \$469,811.19 to the Contract Price and 0 days to the Contract Time. The Change Order consists of the following items:

1. Incorporate WCD-02, CR-17 temporary bypass road:

Attached WCD-02 was approved by the Metro Flood Diversion Authority and authorized the Contractor, Riley Brothers, Inc., to start construction of the CR-17 temporary bypass road. The work includes: construction of a temporary gravel bypass road for County Road 17 (CR-17) north of the intersection with County Road 16 (CR-16). The temporary bypass road work is approximately 1,800 feet of two-lane gravel road to be constructed west of the USACE Diversion Inlet Control Structure project site. The estimated cost for the work in WCD-02 was \$250,000. After WCD-02 was approved, some needed modifications to the plan were incorporated into the work and the Contractor’s proposed price for the work is \$261,250.80.

- a. This change item incorporates the cost to provide a more direct, shorter, temporary CR-17 route that can be used through the 2017 winter season. Detailed cost information is included in attached draft Change Order No. 2.
- b. The federal judge approved the construction of the temporary bypass road, and a construction easement was obtained from the landowner.
- c. The schedule change associated with this change item is 0 days.
- d. The PMC has reviewed this change request and recommends approval.

2. Add ditch cleaning, reshaping, seeding:

The work includes cleaning, reshaping, and seeding/mulch of approximately 2,500 lineal feet of ditches, which were excavated before work stoppage. The contractor’s proposed lump sum price for the work is \$23,520.00.

- a. The work is required for ditches near the area of the partially constructed roundabout, and provides correctly sloping ditches and includes erosion control measures and seeding. Detailed cost information is included in attached draft Change Order No. 2.
- b. This work is a Clean Water Act permit compliance requirement. The schedule change associated with this change item is 0 days.
- c. The PMC has reviewed this change request and recommends approval.

3. Add standby time and partial demobilization costs:

The Contractor began construction under the original contract award on September 5, 2017. The project was stopped due to the temporary injunction. The Owner’s project manager issued a work stoppage notice to the Contractor on September 8, 2017 and a work suspension notice to the Contractor on September 13, 2017. Demobilization of Contractor’s equipment occurred on September 18, 2017. The contractor’s claim for standby time and partial demobilization costs was submitted on October 12, 2017, reviewed, negotiated, and resubmitted on October 24, 2017 for \$185,040.39.

- a. This change item incorporates agreed to equipment standby rates plus total labor costs. Equipment rates were obtained from Equipment Watch; labor rates are based on Davis Bacon rates including fringe benefits. A total of 89 crew hours, between September 8, 2017 and September 18, 2017, were agreed to between the Owner's project manager and Contractor. Note that 89 crew hours is equivalent to 7.417 days at 12.0 hours per day. Detailed cost information is included in attached draft Change Order No. 2.
- b. This change item also incorporates partial demobilization costs associated with the work stoppage due to the temporary injunction, and includes the Contractor's partial cost for construction trailer rentals and Contractor's demobilization costs. Detailed cost information is included in attached draft Change Order No. 2.
- c. The schedule change associated with this change item is 0 days.
- d. The PMC has reviewed this change request and recommends approval.

This change amount of \$469,811.19 is included in the FY-2017 MFDA budget. The PMC reviewed this task order and found it to be acceptable.

WORK CHANGE DIRECTIVE

02

TO: Riley Bros, Inc. PROJECT NO.: WP-28A

PROJECT: Cass County Road 16 & 17 Realignment

OWNER: Metro Flood Diversion Authority

ENGINEER: Houston Moore Group

OWNER'S REPRESENTATIVE: CH2M

DESCRIPTION OF WORK:

The work includes: Construction of a temporary gravel bypass road for County Road 17 (CR-17) north of the intersection with County Road 16 (CR-16). The temporary road work is approximately 1,500 feet of two-lane gravel road to be constructed west of the USACE Diversion Inlet Control Structure project site. The estimated cost of the work is \$250,000.

REASON FOR CHANGE(S):

1. The WP28A County Road 16 and 17 Realignment construction project was stopped due to the temporary injunction against FM Diversion Project construction. The current temporary project detour is approximately six miles long and was not planned to be used for a long duration over the winter.
2. This change provides a more direct, shorter, temporary CR-17 route that can be used through the 2017 winter season. This work change directive is contingent on approval by the federal judge.
 - a. Work may proceed immediately upon approval by the federal judge.

ATTACHMENTS (List Supporting Documents):

1. Diversion Road Plan and Profile

DESIGN IMPACT (List Impacts):

Is the described change outside of the design parameters? Yes / No

If yes, DOR and USACE signoff are required and documented below:

<i>Adam Ruud P.E.</i>	<i>Date</i>	<i>[Name]</i>	<i>Date</i>
<i>Designer of Record</i>		<i>USACE PM</i>	

It is understood that this Work Change Directive will not change the Contract Price or Times, but is evidence that the parties expect a Change Order to be subsequently issued reflecting the changes.

The Contract is modified as follows upon execution of this Change Order:

Description:

1. Incorporate WCD-02, CR-17 temporary bypass road: WCD-02 was approved by the Metro Flood Diversion Authority and authorized the Contractor, Riley Brothers, Inc., to start construction of the CR-17 temporary bypass road. The work includes: Construction of a temporary gravel bypass road for County Road 17 (CR-17) north of the intersection with County Road 16 (CR-16). The temporary road work is approximately 1,800 feet of two-lane gravel road to be constructed west of the USACE Diversion Inlet Control Structure project site. The Contractor's proposed price for the work is \$261,250.80, and includes the following contract changes as documented in the attached Unit Price Schedule:
 - a. Add line item "203-0101 COMMON EXCAVATION-TYPE A - BYPASS": 500 CY at a unit price of \$10.00/CY for a line item cost of \$5,000.00.
 - b. Add line item "203-0109 TOPSOIL - BYPASS": 6,000 CY at a unit price of \$3.00/CY for a line item cost of \$18,000.00.
 - c. Add line item "203-0140 BORROW-EXCAVATION - BYPASS": 12,000 CY at a unit price of \$8.00/CY for a line item cost of \$96,000.00.
 - d. Add line item "251-0200 SEEDING CLASS II - BYPASS": 5.0 ACRE at a unit price of \$1,709.00/ACRE for a line item cost of \$8,545.00.
 - e. Add line item "253-0101 STRAW MULCH - BYPASS": 5.0 ACRE at a unit price of \$100.00/ACRE for a line item cost of \$500.00.
 - f. Add line item "261-0112 FIBER ROLLS 12IN - BYPASS": 250 LF at a unit price of \$0.64/LF for a line item cost of \$160.00.
 - g. Add line item "302-0356 AGGREGATE SURFACE COURSE CLASS 5 - BYPASS": 2,578 TON at a unit price of \$18.10/TON for a line item cost of \$46,661.80.
 - h. Add line item "302-0407 RESHAPE AGGREGATE BASE COURSE - BYPASS": 23 STA at a unit price of \$344.00/STA for a line item cost of \$7,912.00.
 - i. Add line item "702-0100 MOBILIZATION - BYPASS": 1.0 L SUM at a unit price of \$48,000.00/L SUM for a line item cost of \$48,000.00.
 - j. Add line item "709-0151 GEOSYNTHETIC MATERIAL TYPE R1 - BYPASS": 6,492 SY at a unit price of \$3.00/SY for a line item cost of \$19,476.00.

- k. Add line item "714-5200 PIPE, CORR STEEL 0.079 IN 24 IN - BYPASS": 56 LF at a unit price of \$20.00/LF for a line item cost of \$1,120.00.
 - l. Add line item "714-2823 END SECTION CORR STEEL 0.079 IN 24 IN - BYPASS": 2 EA at a unit price of \$200.00/EA for a line item cost of \$400.00.
 - m. Add line item "920-1500 DUST PALLIATIVE MATERIAL - BYPASS": 4,200 GAL at a unit price of \$1.78/GAL for a line item cost of \$7,476.00.
 - n. Add line item "MOVING STRAW BALES": 1 L SUM at a unit price of \$2,000.00/L SUM for a line item cost of \$2,000.00.
2. Add ditch cleaning, reshaping, and seeding: The work includes dewatering/cleaning, reshaping, and seeding/mulching of approximately 2,500 lineal feet of road ditches, which were excavated prior to the temporary injunction and work stoppage. The contractor's proposed cost for the work is \$23,520.00, and includes the following contract change as documented in the attached Unit Price Schedule:
- a. Add line item "DITCH CLEANING/RESHAPING, DEWATERING": 1 L SUM at a unit price of \$23,520.00/L SUM for a line item cost of \$23,520.00.
3. Add standby time and partial demobilization costs: The Contractor began construction under the original contract award on September 5, 2017, and the project was stopped due to the temporary injunction. The Owner's project manager issued a work stoppage notice to the Contractor on September 8, 2017, and a work suspension notice to the Contractor on September 13, 2017. Demobilization of Contractor's equipment occurred on September 18, 2017. The contractor's claim for standby time and partial demobilization costs is \$185,040.39, and includes the following contract changes as documented in the attached Unit Price Schedule:
- a. Add agreed to equipment standby rates plus total labor costs. Equipment rates were obtained from Equipment Watch; labor rates are based on Davis Bacon rates including fringe benefits for a total of 89 crew hours (7.417 days at 12 hours per day) between September 8, 2017 and September 18, 2017 as follows:
 - i. Add line item "STANDBY TIME": 7.417 DAY at a unit price of \$18,665.28/DAY for a line item cost of \$138,440.39.
 - b. Add negotiated partial demobilization costs associated with the work stoppage due to the temporary injunction as follows:
 - i. Add line item "PARTIAL DEMOBILIZATION": 1 L SUM at a unit price of \$46,600.00/L SUM for a line item cost of \$46,600.00.

Fargo, ND 581020

Re: Riley Brothers Proposal for Standby costs WCD#02, Cass County Road 16&17
Realignment, Work Package 28A.

Dear Mr. Baisch:

Please find attached our revised proposal for WCD#02 as requested on 10/11/17. This revised proposal covers only the Standby costs incurred by Riley Brothers Construction for Equipment and Personnel. Additional adjustments due to the Suspension of Work which will address additional costs, impact and time are not included herein.

Reference is made to the Directive by CH2M received September 8, 2017 to stop all work on the above contract. Reference is made to our meeting on 10/12/17 with CH2M and Jeff Ebsch, Cass County Assistant Engineer.

If there are any questions regarding this matter please feel free to contact the undersigned Larry Swann (320)-287-1918 or Dick Sundberg (701)866-9390.

Sincerely,
Larry Swann, Senior Project Manager
Riley Brothers Construction, Inc.

Attachment #1-Claim Certification WCD#02

Attachment #2-Revised Cost Proposal

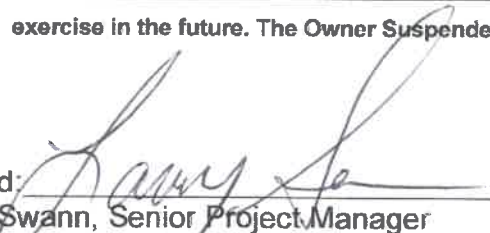

ATTACHMENT #1

REFERENCE: WCD#02, Cass County Road Re-Alignment, WP28, Revised Proposal Dated 10/23/17

Claim Certification (GC12.06.1): I certify this claim is made in good faith, that the supporting data are accurate and complete, that to the best of Contractor's knowledge and belief the amount of time or money requested accurately reflects the full amount to which the Contractor is entitled.

Exceptions:

- 1. This proposal only covers standby costs starting on September 08 and ending September 16, 2017.**
- 2. Riley Brothers reserves the right to request additional costs and time in accordance with General Conditions Article 16 Suspension of Work and Termination or any other contract actions the owner may choose to exercise in the future. The Owner Suspended Work without fixing the date on which Work will be resumed.**

Signed: 
Larry Swann, Senior Project Manager
Riley Brothers Construction, Inc.

Technical Advisory Group Recommendation

Meeting Date: 10/27/2017

RECOMMENDATION FOR ACTION:

The Technical Advisory Group has reviewed and recommends approval of the following Contract Action(s).

SUMMARY OF CONTRACTING ACTION:

Per the contract review and approval procedures that were adopted by the Diversion Authority on November 10, 2016, the Owner’s Program Management Consultant (PMC) or Engineer of Record (EOR) shall submit a construction Change Order request to the Technical Advisory Group. The Technical Advisory Group shall review the Change Order request during its next regular meeting after receiving the Change Order request, and make a recommendation as to approval or denial of the Change Order request.

The Owner’s Representative has reviewed and recommends the following Contract Action(s):

Description	Budget Estimate (\$)
WP-43E.2.E: Schmidt and Sons Construction, Inc.	
<i>Change Order #02</i>	<i>\$6,200.00</i>
<ul style="list-style-type: none"> Relocation of temporary road access point

DISCUSSION

In preparation for the construction of OHB Ring Levee – Phase C, the eastern portion of the ring levee, several home removal contracts were let to remove or demolish homes along Schnell Drive and Riverbend Road in Oxbow, ND. Several of the contractors elected to move homes, but were not allowed to move homes on Oxbow city streets. To move Riverbend Road homes, a temporary dirt road was constructed along the wet (back) side of the WP-43A levee. This temporary road included a drainage ditch crossing.

Due project site access conflicts, not all home removals were completed prior to the start of construction of the 43C levee segment. Contractor coordination and construction sequencing and scheduling modifications helped mitigate contractor work space conflicts, but eventually access to the wet (back) side of the levee to complete home removals was impacted by the closing and removal of Riverbend Road under the 43C levee footprint. Home

removal project WP-43E2F (Landwehr Construction) received a negotiated Substantial Completion time extension to November 1, 2017.

In order to maintain access to the wet (back) side of the levee to complete home removals, the temporary access road was relocated under the WP-43CD contract, but did not include relocation of the drainage ditch crossing and culvert. Schmidt and Sons, under this WP-43E2E contract, were requested to provide a proposal to move the drainage ditch crossing and culvert.

This change order relocates the culvert and drainage ditch crossing access point so that it is aligned with the temporary access road.

Change Order No. 2 adds 0 days to the substantial completion date. The Change Order consists of the following items:

1. Relocation of Access Point

- a. This change item adds a Lump Sum cost of \$6,200.00 to the Contract Price to relocate the current access point and place it in alignment with the temporary road. Draft Change Order No. 2, Unit Price Schedule, and back-up information are attached and provide additional information regarding this change.
- b. The Contractor, Schmidt and Sons Construction, Inc. responded to the October 17, 2017 Change Proposal Request with a proposal to complete the work for \$8,050, and negotiated lump sum cost of \$6,200 was agreed to by the Owner's project manager and the Contractor.
- c. The PMC has reviewed this change request and recommends approval.

This change amount of \$6,200.00 is included in the FY-2017 MFDA budget.

Change Order No. 02

Date of Issuance: 11/2/2017 Effective Date: 11/2/2017
 Owner: METRO FLOOD DIVERSION AUTHORITY Owner's Contract No.: WP-43E.2.E
 Owner's Representative: CH2M HILL Engineers, Inc. Owner's Representative Project No.: 435534
 Contractor: Schmidt and Son Construction Contractor's Project No.: _____
 Engineer: Houston-Moore Group, LLC Work Package No.: WP-43E.2.E
 Project: Schnell Drive and OCC Removals Contract Name: Oxbow-Hickson-Bakke Ring Levee

The Contract is modified as follows upon execution of this Change Order:

Description:

1. Relocation of Access Point
 - a. A section of Riverbend Road was demolished for the inspection trench under the WP-43C levee by the WP-43CD levee contractor. This required the existing temporary access road (to the wet side of the levee) to be moved to a new location, but didn't include relocation of an access point over an existing drainage ditch. This change moves the current access point over the drainage ditch so that it is aligned with the temporary road for current and future access behind the levee. This change includes the following contract change as document in the attached Unit Price Schedule.
 - i. Add line item "Change Order 2 – Access Point Relocation": 1 LS at a unit price of \$6,200.00/LS for a line item cost of \$6,200.00.

PROPOSAL SUBMITTED TO:

Name: CH2M
Phone: _____ Date: 10/19/17
Street: _____
City: _____
State: _____ Zip: _____

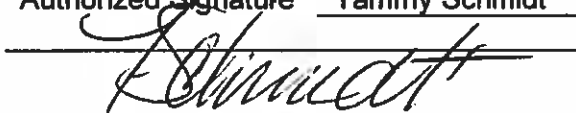

I propose to furnish all materials and perform all labor necessary to complete the following:

Install culvert and fill:

- \$3200 for 3 sections of culvert
- \$200 per hr x 10 hrs for PC3 300 Excavator
- \$125 per hr x 8 hrs for Hamm Packer
- \$185 per hr x 10 hrs for Cat

All of the work is to be completed in a substantial and workmanlike manner for the sum of Eight Thousand Fifty Dollars (~~\$8050.00~~).

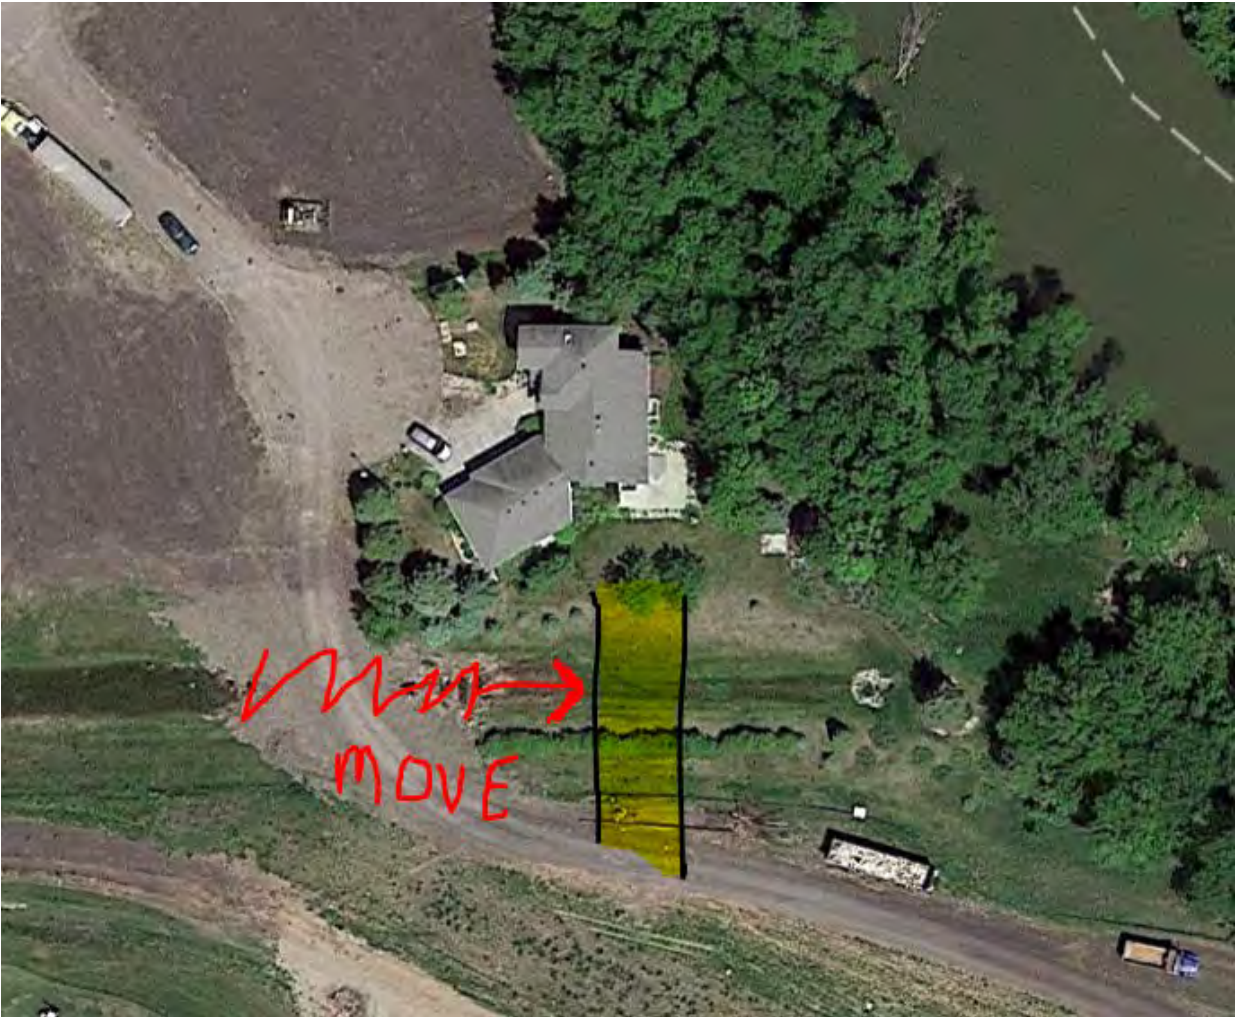

Authorized Signature Tammy Schmidt

Date 10/19/17

The Owner offered a counter price and the Contractor agreed to \$6,200.00 to replace the culvert crossing for the homes to be removed in Oxbow. The agreement was set on 10/20/2017, to be a lump sum price. The contractor will leave the culvert in place after the relocation is completed.

WP 43E2F – OHB Home Removal Change Order 02 <ul style="list-style-type: none">• Temporary golf cart path	Landwehr	\$4,383.34

Technical Advisory Group Recommendation

Meeting Date: 11/07/2017

RECOMMENDATION FOR ACTION:

The Technical Advisory Group has reviewed and recommends approval of the following Contract Action(s).

SUMMARY OF CONTRACTING ACTION:

Per the contract review and approval procedures that were adopted by the Diversion Authority on November 10, 2016, the Owner’s Program Management Consultant (PMC) or Engineer of Record (EOR) shall submit a construction Change Order request to the Technical Advisory Group. The Technical Advisory Group shall review the Change Order request during its next regular meeting after receiving the Change Order request, and make a recommendation as to approval or denial of the Change Order request.

The Owner’s Representative has reviewed and recommends the following Contract Action(s):

Description	Budget Estimate (\$)
WP-43E.2.F: Landwehr Construction, Inc. <i>Change Order #02</i> <ul style="list-style-type: none"> Temporary golf cart path 	4,383.34

Summary of Contracting History and Current Contract Action:

The MFDA awarded the WP-43E2F (OHB Ring Levee – Riverbend Home Removals) construction contract to Landwehr Construction, Inc. on June 19, 2017.

This change item was identified and the work has been done. Quantities, agreed to unit prices, and pricing have been obtained for the preparation of this change order.

Below is a summary of contracting history to date along with the current contracting action.

Original Agreement or Amendment	Previous Project Cost	Budget (\$) Change	Revised Project Cost	Project Start	Project Completion	Comments
Original Contract	0.00	234,593.50	234,593.50	19-Jun-17	31-May-18	Contract Award recommended to lowest responsive bidder, Industrial Builders, Inc.
Change Order No. 1	234,593.50	0.00	234,593.50	19-Jun-17	31-May-18	Substantial Completion time extension
Change Order No. 2	234,593.50	4,383.34	238,976.84	19-Jun-17	31-May-18	Temporary golf cart path

DISCUSSION

Due to a project site access conflict between the WP-43E2F contractor, Landwehr Construction, Inc., and the Oxbow County Club (OCC) a temporary golf cart path was needed to separate golfers from construction activities.

The original 2017 OHB ring levee construction schedule allowed the OCC golfers to access their lower (old) golf course holes via a route on OCC property while the WP-43E2F contractor removed homes along Riverbend Road. After completion of WP-43E2F, the OCC golfers were to use Riverbend Road as a golf cart path to their lower holes while the WP-43CD contractor build the levee across the golf course.

WP-43E2F home removal work extended beyond the planned substantial completion date and created a conflict between the WP-43E2F contractor and the OCC golfers. The temporary golf cart path relived a safety concern by providing a separation of construction activities and the golf carts traveling along Riverbend Road.

The Change Order consists of the following items:

1. Temporary Golf Cart Path

- a. This change adds a temporary golf cart path along Riverbend Road which provides a separation between golfers and home removal construction activities. This change includes furnishing, installing, and removing fencing and wood chips for the temporary golf cart path.
- b. The cost of this change is \$4,383.34 and includes:
 - i. Subcontractor Costs: The cost includes subcontractor equipment, labor, and materials to furnish, install, and remove approximately 1,200 lineal feet (LF) of orange snow fence and approximately 500 LF of wood chips to create the temporary golf cart path.
 1. Total Subcontractor costs are \$4,035.56.
 - ii. Mark-up on Subcontractor Costs:
 1. The General Contractor mark-up of Subcontractor equipment, labor, and materials averages seven (7) percent, for a total mark-up of \$283.00.
 - iii. Bond:
 1. The General Contractor added one and a half (1.5) percent on to the above costs for bonds, for a total bond cost of \$64.78.
- c. This total cost is approximately \$3.75 per LF of fencing. Typical costs for snow fencing are estimated to range from \$3.00 to \$6.00 per LF, so this price is considered reasonable.
- d. There are no contract time changes.

Technical Advisory Group Recommendation

Meeting Date: 11/10/2017

RECOMMENDATION FOR ACTION:

The Technical Advisory Group has reviewed and recommends approval of the following Contract Action(s).

SUMMARY OF CONTRACTING ACTION:

Per the contract review and approval procedures that were adopted by the Diversion Authority on November 10, 2016, the Owner’s Program Management Consultant (PMC) or Engineer of Record (EOR) shall submit a construction Change Order request to the Technical Advisory Group. The Technical Advisory Group shall review the Change Order request during its next regular meeting after receiving the Change Order request, and make a recommendation as to approval or denial of the Change Order request.

The Owner’s Representative has reviewed and recommends the following Contract Action(s):

Description	Budget Estimate (\$)
WP-42F1S: Industrial Builders Inc.	
<i>2nd Street North (South of Pump Station) –Change Order No. 19</i>	\$22,556.00
<ul style="list-style-type: none"> • Add generator exhaust system components and installation • Add 56 calendar days to Final Completion date 	

Summary of Contracting History and Current Contract Action:

The original WP-42F1S plans and specifications included the installation of a diesel generator to provide backup power to the new 2nd Street Pump Station and City Hall projects. After award of the WP-42F1S contract, changes to the Fargo City Hall project affected the size, location, mounting, and connection requirements for the generator. Change Order No. 16 modified the diesel generator to accommodate the changes to the Fargo City Hall project, but omitted some of the details and components for the diesel generator exhaust system.

This change order includes furnish of omitted and necessary diesel generator exhaust system components and installation of the exhaust system.

Below is a summary of contracting history to date along with the current contracting action.

Original Agreement or Amendment	Previous Project Cost	Budget (\$) Change	Revised Project Cost	Project Start	Project Completion	Comments

Change Order No. 19	16,698,035.15	22,556.00	16,720,591.15	08-Oct-15	26-Jan-18	Add generator exhaust system components and installation, and 56 calendar days.

DISCUSSION

Change Order No. 19 includes furnishing additional back-up generator exhaust system components and installing them along with previously provided exhaust system components. The Contractor's proposed PCO #19 is attached, and consists of the following items:

1. General Contractor costs: In addition to services provided by subcontractors, IBI has proposed the following items to complete the work:
 - a. Project Manager/Supervisor: add five (5) hours of project manager/supervisor time at a cost of \$580.00 (\$116.00 per hour).
 - b. IBI Equipment: add five (5) hours of truck equipment time at a cost of \$75.00 (\$15.00 per hour).
 - c. Subcontractor markup: ten (10) mark-up of subcontractor work at a cost of \$1,991.00.
2. Subcontractor costs: Install previously provided back-up generator exhaust system components and furnish and install additional exhaust system components.
 - a. Lump sum proposal from Strata Corporation that includes a ten (10) percent mark-up of their subcontractor, R. Gibb & Sons, Inc. at a cost of \$19,910.00 (Gibb's lump sum proposal is \$18,100.00).
3. Contract Time: Additional time is needed to complete the work in this change order. This change order adds 56 calendar days to the Final Completion date, changing it from December 1, 2017 to January 26, 2018.

The PMC has reviewed Change Order No. 19 and feels the proposed costs and level of effort are reasonable. This change amount of \$22,556.00 is included in the FY-2017 MFDA budget.

Project: Fargo-Moorhead Area Diversion Contract Name: Flood Control, 2nd Street North, South of Pump Station

The Contract is modified as follows upon execution of this Change Order:

Description:

1. Generator Exhaust
 - a. Add lump sum bid item *0268 CO-19 Diesel Generator Exhaust* for \$22,556.00 to accommodate the installation of the diesel generator exhaust through the roof of the new City Hall generator building. The attached Change Order Unit Price Schedule dated 11/9/2017 shows the adjustments for this change item. There is a schedule change with an increase of 56 calendar days associated with this change item.

Below is the detail for our proposal to complete the following changes in contract work:

- PCO: New Generator: Exhaust System

- This change order provides the completion of the exhaust system based on the design of the city hall building. The muffler, standard length pipe, and 90 deg. Elbow where originally quoted with the new generator. At the time no final plans were made on where the exhaust system was to be place and where it shall exit the building which is now included in this change order.
- City Hall contractor to place roof trusses and steel decking, Gibb will then run the exhaust and the city hall roofer can come in after the exhaust is placed to seal the roof.

PCO Item	Change (in Days)	Quantity	UM	Unit Price	Amount
264: New Diesel Generator: Add Exhaust System	0	1.00	L S	22,556.00	22,556.00
				TOTAL:	22,556.00

Terms and Conditions:

- 1) This change order must have approval asap due to material lead time. Completion date may need to be extended based on lead time at the time of ordering material.
- 2) Quote good for fourteen (14) days
- 3) No additional retainage to be held on any approved change order items.
- 4) All terms and conditions on Gibbs attached quote is included in this change order.
- 5) If additional changes due to the submittal or supplier cannot supply specified material, additional charges may apply.
- 6) By approving the items and cost above, the owner agrees to added terms and conditions.
