RE: Commercial General Liability Policy #: GL000337307

Dear Kent:

Enclosed is the renewal of your Commercial General Liability policy effective 3/19/2019 written through ND Insurance Reserve Fund.

Please review the policy carefully and let me know if any of the provisions are unclear or if any revisions are necessary. Throughout the policy term, please keep us informed of any changes in your operations.

While renewing your policy we noticed Metro Flood Diversion Authority was missing as a named insured. We've asked the insurance carrier to amend the named insured. We will forward an endorsement as soon as it's available.

The premium for this policy term is \$5,259.00 as shown on the enclosed invoice. Please remit payment prior to the due date to avoid any late fees or cancellation.

Thank you for your continued business. Please do not hesitate to call me with any questions or concerns.

Sincerely,

Ross Gailfus

Key Account Manager/Vice President rgailfus@warnerandcompany.com

#### **Dear Co-Executive Directors:**

Attached is the proposed 2019 Billing Rates for Braun Intertec Corporation, the company providing materials testing services to the Diversion Authority's WP-43 OHB Ring Levee projects. We have reviewed the proposed rates and have verified the rate increases do not exceed the 3.5% maximum annual rate increase as set forth in the Master Services Agreement between the Diversion Authority and Braun Intertec Corporation.

We recommend approval of these rate increases and that they become effective as of January 1, 2019.

Thank you for your consideration of this change and please let me know if you have any questions.

Sincerely,

Kimberly A. Daily, PE

#### AMENDMENT I to the Agreement for Cost-Share Reimbursement Fargo Moorhead Metro Area Flood Risk Management Project

- 1. **Background.** In July 2016, the State of North Dakota (State), by and through the State Water Commission (Commission), and the Metro Flood Diversion Authority (Sponsor) entered into the Agreement for Cost-Share Reimbursement Fargo Flood Control Project 2015 2017 (Agreement).
- **2. Intent.** The intent of the parties here is to amend the Agreement to provide an additional cost-share of up to \$66,500,000 to reimburse 50 percent of actual eligible costs for the Flood Risk Management Project.
- **3. Agreement.** Commission and Sponsor agree to replace all of the language in paragraph 2 ("COMMISSION'S RESPONSIBILITY AND INTENT") with the following:

Commission will provide Sponsor with cost-share, not to exceed \$135,500,000, as approved by Commission on February 14, 2019 (\$66,500,000) and as authorized in section 8 of S.B. 2020, 2015 N.D. Leg. (\$69,000,000) to reimburse 50 percent of actual eligible costs incurred in Sponsor's Fargo Moorhead Area Metro Area Flood Risk Management Project (Project), contingent on availability of funds and conditions of this agreement. Commission's intent in providing this funding to Sponsor is merely to help Sponsor financially afford Project. Sponsor retains sole and absolute discretion in the manner and means of carrying out Project, except to the extent specified in this agreement.
