CAUTION: EXTERNAL EMAIL

Gene,

Please find the attached proposal for the Dryer Fan Exhaust Replacement. It is a time and materials proposal.

The one thing we don't have in our proposal is Testing and Balancing. Since the new fan has the same characteristics as the existing one, we weren't sure if we need that. If we did to test and balance the fan speed/exhaust rate, we would have the TAB company test the airflow of the existing fan before it is removed, to verify where it currently is at. Then balance to the same capacity afterwards. This may require different sheaves. Do you want us to add something for that?

SUBJECT: Purchase Order – Courthouse Plantings and Edging

The 2020 budget includes funds for new plantings and edging at the Cass County Courthouse.

A proposal was received from Baker Nursery for \$9,579.35 for the new plants and \$1,500.00 to re-do the edging on the flower beds for a total of \$11,079.35. This is around \$1,100 more than what was budgeted, but there are adequate funds to cover the additional cost for the work.

I recommend the proposal be accepted to move forward with the project.

Please let me know if you have any questions.

Subject: FW: Updated Baker Quotes
Attachments: 20200420144307514.pdf

Hi Heather,

Here is our next agenda item. It is for Baker Nursery and I think I would like to recommend that we use the 5 gal plantings as it will give an fast nice look and also give us better survival rates for our plantings. This portion of the bid is \$9,579.35 and also we should do the add on of \$1,500.00 to re-do the edging on flower beds also for a total of \$11,079.35. This is a budgeted item and I believe we will go over our budget by about \$1,100.00.....but we have sufficient funds that will cover this overage and not affect our year end numbers. I am forwarding all of the bid information for review.

Thank you for your time to draft this up for us.

Hi Gene,

I am sending a copy of the updated quotes. Let me know which quote you would like to use, the 2 gallon plants or the 5 gallon plants. Also if you would like us to do any of the options on the quote; fix the bullet edging or add brown mulch. Right now we are scheduling into the end of June.

Thanks,
