Negotiation Notes

- SRF Land agent, Ken Helvey, has had multiple contacts with landowner’s attorney regarding the offer to purchase.
- There are 7 billboards total, 4 which need to be relocated. The owners also lease the ag land
- Any replacement land needs to be zoned commercial/industrial to install billboards, unless owner has a special use permit, can get the land re-zoned, or a variance. Landowners are concerned that they will not be able to find comparable land to replace the 4 signs for that amount.
- Owner is having their own appraisal prepared for the land value. This has not yet been delivered to SRF.
- Newman Sign is taking the position that they are not able to find a suitable replacement location for their signs. We have begun the discussing how to move forward as we have proposed to consider the sign to be moveable personal property.

PID: 53-0000-09056-060, 53-0000-09059-060, 53-0000-09059-050, 53-0000-09056-040

Dear Mary E. Newman QTIP Trust,

The Cass County Joint Water Resource District (CCJWRD) and other partners are constructing a flood control improvement project in your area. The CCJWRD has hired the HMG Group to aid in the acquisition of right-of-way for the project. You are receiving this letter as the owner of property that must be acquired for the project. This letter conveys CCJWRD's offer to purchase all interests in the real property that are necessary for the project. The interests being purchased (the "Parcel") are listed on Exhibit A (Acquisition Summary) and shown on Exhibit B (Certificate of Survey), and the amount stated in this letter as the purchase amount is for all of those interests. If the Parcel includes interests that another person or entity may own (for example a mortgage lender or easement holder), the CCJWRD's offer is contingent on all parties with interest agreeing to the amount and allocation of the purchase funds.

To determine market value of the interest being acquired, CCJWRD retained the services of the independent property appraisal firm, Crown Appraisals Inc. The appraiser has determined that the market value of the interests being purchased is **\$423,000.00**. The CCJWRD has used the market value set forth in the appraisal as the basis for determining Just Compensation for the property interests being acquired from you. A copy of the appraisal is attached to this letter and provided to you. If the purchase amount is based on any conditions or exceptions (such as terms of the transfer of possession or retention of any interest); they will be included in Exhibit A. A summary of the appraisal is provided on Exhibit A (Appraisal Summary).

The Cass County Joint Water Resource District hereby offers to pay you \$423,000.00 as Just Compensation for the property interests it must acquire from you.

Separate from this agreement are relocation benefits provided as a part of the acquisition of your property.

Please note, at the time this appraisal was completed the Cass County Joint Water Resource District was proposing to purchase Temporary Construction Easement (TCE) for the project and therefore the appraisal and Certificate of Survey include TCE acres. However, the CCJWRD has determined not to proceed with purchasing TCE and therefore your Just Compensation and Exhibit A do not include the TCE values.

Once we agree on the basic terms of an agreement for you to sell, and the CCJWRD to buy the property interests described in this letter, a Purchase Agreement will be drafted and presented to you for approval. The Purchase Agreement will contain all of the pertinent terms and conditions of this offer, as well as several standard legal, property acquisition terms. The Purchase Agreement will be between you and the CCJWRD.

We appreciate your willingness to negotiate with the CCJWRD. We request counteroffers or acceptance of this offer within 30 days from the date of this letter. CCJWRD has flexibility regarding closing, rent and/or leaseback options. We also support 1031-1033 tax exchanges.

If you have any questions about the acquisition process, please contact me at 763-249-6785 or by email at khelvey@srfconsulting.com We are here to help you understand the process and to assist in negotiating a fair direct purchase of the Parcel, however, we do not represent you. We are willing to meet with you in person as well as set up a time to discuss questions on the phone.

Upon receipt of this letter, please sign below. Your signature indicates only that you have received this Offer to Purchase, and the following documents:

- Copy of the appraisal for Parcel ID OIN 8874 8875 8876 9753 by Crown Appraisals Inc.
- Exhibit A (Acquisition Summary), and Exhibit B (Certificate of Surveys)

Your signature DOES NOT indicate your acceptance or rejection of the offered amount. Nor does it affect your right to continue to negotiate with the CCJWRD.

On behalf of CCJWRD, we wish to thank you for your cooperation and assistance, and we look forward to working with you toward a mutually satisfactory completion of the acquisition process.

Sincerely,

Ken Helvey

As you know, the Cass County Joint Water Resource District (the "District") is in the process of acquiring the right of way necessary for the Fargo Moorhead Diversion Area Project ("Project"). I previously copied you on the following three letters whereby the District sought to negotiate the acquisition of the right of way from Mary E. - Letter dated April 6, 2020, inviting the Landowner to meet with the District for purposes of negotiating compensation for the right of way to be acquired; and
- Letter dated May 22, 2020, notifying the Landowner the District planned to submit a request to the Cass County Commission seeking immediate possession of the right of way necessary for the Project.

The District has conducted months of negotiations with the Landowner to arrive at a mutually acceptable agreement for the District's purchase. More specifically, the District engaged in both informal and formal negotiations with the Landowner, as required under N.D. Cent. Code § 61-16.1-09(2)(b), in an effort to reach agreement regarding fair compensation to the Landowner for the acquisition of the necessary right of way in, on, over, across, and through certain property owned by the Landowner in Cass County, North Dakota. The legal description of the necessary right of way is as follows:

Right of Way Easement:

That part of the North Half (N1/2) of Section 10, Township 139 North, Range 50 West of the 5th Principal Meridian, Cass County, North Dakota, further described as follows:

Commencing at the Northwest Corner of the Northeast Quarter (NE¼) of said Section 10; thence South 02° 27' 45" East on the west line of said NE¼ a distance of 75.00 feet to the south right-of-way line of Interstate Highway 94, also being the Point of Beginning; thence North 87°17'15" East on said south right of way line a distance of 750.01 feet; thence South 02° 27' 45" East parallel with, and 750.00 feet east of, said west line of the NE¼ a distance of 495.43 feet to the south line of a parcel as described in Document No.1496354 on file at the Cass County Recorder's Office; thence South 87°17'15" West on said south parcel line a distance of 750.01 feet to said west line of the NE¼; thence continuing South 87°17'15" West on said south parcel line a distance of 12.00 feet to the west line of said parcel; thence North 02°27'45" West on said west parcel line a distance of 495.43 feet to said south right-of-way line; thence North 87°18'04" East on said south right-of-way line a distance of 12.00 feet to the Point of Beginning.

Said parcel contains 8.67 acres, more or less, and is subject to all prior easements, reservations, restrictions, and conveyances of record.

As you may recall, in 2017, the North Dakota Legislature modified the process for water resource districts to acquire immediate possession of right of way necessary for water projects; the new process is set forth in Section 61-16.1-09(2)(b). The District has followed all of the necessary steps under the statute, but the parties have not reached a mutually acceptable agreement. Under the new acquisition process enumerated in Section 61-16.1-09(2)(b)(3), the District must next seek the County Commission's approval to proceed further, and to ultimately utilize quick take eminent domain to take possession of the right of way above to commence the Project.

More specifically, Section 61-16.1-09(2)(b)(3) requires the County Commission to hold a public meeting and to provide the Landowner no less than thirty days' notice of the meeting. The District will also attend the meeting, along with a representative of the land firm which was the Landowner's main point of contact throughout the negotiation process. Prior to the public meeting, the land firm representative and the District will verify neither the District nor any of its agents referenced or threatened quick take eminent domain during the informal and formal negotiation process.

Robert Wilson
July 30, 2020
Page 3

While the District takes all landowners' rights very seriously, the District also has an obligation, as a member of the Metro Flood Diversion Authority, to acquire the right of way necessary for the Project, and construction of the Project will not be possible without acquiring the right of way identified above. As the District will explain and verify for the Commission in more detail through this process, the District provided the Landowner with the District's appraisal as the starting point for negotiations, then attempted to negotiate further with the Landowner over the course of several months. This step is not one the District takes lightly; quick take eminent domain is a serious undertaking, and the District has negotiated in good-faith with the Landowner to avoid this process. Despite the District's efforts to be fair, friendly, and flexible in both the informal and formal negotiations with the Landowner, unfortunately, the parties have not reached a mutually acceptable agreement for the acquisition of the right of way.

The District respectfully requests that the Cass County Commission proceed with the public meeting process under Section 61-16.1-09(2)(b)(3) regarding the Landowner and the right of way identified in this letter. Further, the District respectfully requests that the Cass County Commission ultimately approve the District's use of quick take eminent domain to take possession of the right of way identified above by quick take eminent domain so the Project may proceed. For your information, while the County conducts the process under Section 61-16.1-09(2)(b)(3), the District still hopes the parties can arrive at a mutually-acceptable agreement.

Sincerely,

CASS COUNTY JOINT WATER RESOURCE DISTRICT

Greetings:

As you know, the METRO FLOOD DIVERSION BOARD OF AUTHORITY (the "Authority") is proceeding with the Fargo Moorhead Area Diversion Project ("Project"); the Cass County Commission (the "Commission") is a member of the Authority. The Cass County Joint Water Resource District (the "District") is also a member of the Authority, and the Authority previously directed the District to obtain the North Dakota right of way easement necessary to accommodate the Project. You have been in negotiations with the District and its agents regarding the right of way easement the District must acquire from you for the Project. The District copied the Commission on the following three letters the District sent to you regarding the District's negotiations with you:

- Letter dated March 16, 2020, enclosing the District's appraisal for the acquisition of the right of way easement from you, along with a proposed Purchase Agreement;
- Letter dated April 6, 2020, inviting you to meet with the District for purposes of negotiating compensation for the right of way easement to be acquired; and
- Letter dated May 22, 2020, notifying you the District planned to submit a request to the Commission seeking immediate possession of the right of way easement necessary for the Project.

The District informed the Commission that you and the District have not reached a mutually-acceptable agreement, and have not signed a purchase agreement, regarding the right of way easement the District must purchase from you to accommodate the Project. With that in mind, the District recently requested approval from the Commission to utilize quick take eminent domain to take possession of the right of way easement the District must acquire from you. The legal description of the necessary right of way easement is as follows:

Right of Way Easement:

That part of the North Half (N½) of Section 10, Township 139 North, Range 50 West of the 5th Principal Meridian, Cass County, North Dakota, further described as follows:

Commencing at the Northwest Corner of the Northeast Quarter (NE¼) of said Section 10; thence South 02° 27' 45" East on the west line of said NE¼ a distance of 75.00 feet to the south right-of-way line of Interstate Highway 94, also being the Point of Beginning; thence North 87°17'15" East on said south right of way line a distance of 750.01 feet; thence South 02° 27' 45" East parallel with, and 750.00 feet east of, said west line of the NE¼ a distance of 495.43 feet to the south line of a parcel as described in Document No.1496354 on file at the Cass County Recorder's Office; thence South 87°17'15" West on said south parcel line a distance of 750.01 feet to said west line of the NE¼; thence continuing South 87°17'15" West on said south parcel line a distance of 12.00 feet to the west line of said parcel; thence North 02°27'45" West on said west parcel line a distance of 495.43 feet to said south right-of-way line; thence North 87°18'04" East on said south right-of-way line a distance of 12.00 feet to the Point of Beginning.

Said parcel contains 8.67 acres, more or less, and is subject to all prior easements, reservations, restrictions, and conveyances of record.

The Commission invites you to attend the Commission's meeting on September 21, 2020 at 3:30 p.m. The District will also participate in the meeting, along with a representative of the land firm which was your primary point of contact throughout the negotiation process. At the meeting, the Commission will ask the District to verify the District's compliance with Section 61-16.1-09(2) of the North Dakota Century Code. The Commission will ultimately vote on whether to approve the District's use of quick take eminent domain to take a right of way easement over your property.

If you wish to participate in the Commission's September 21, 2020 public meeting via conference call or Microsoft Teams, please contact Heather Worden at (701) 241-5609 or wordenh@casscountynd.gov as soon as possible so Ms. Worden can assist you with the necessary arrangements.

This Notice does not preclude you from continuing to work with the District regarding the right of way easement necessary for the Project. In fact, the Commission and the District encourage you to maintain contact with **Ken Helvey** and to continue discussions about the Project. **Ken Helvey** of **SRF Consulting Group, Inc.** is your point of contact regarding the Project. You can reach **Ken Helvey** at **(763) 249-6785** or **khelvey@srfconsulting.com**.

Finally, North Dakota law requires the Commission to provide you with a description of the District's timeline regarding your right of way easement. The District must complete the acquisition of right of way necessary for construction of Project components on your property by Fall of 2020.
