TO: Cass County Commission
FROM: Jason Benson, County Engineer *JMB*
DATE: March 1, 2021
SUBJECT: Consent Agenda Topic for March 1, 2021 Meeting:
Spring Load Restrictions on County Highways

I would like to impose spring weight restrictions on Cass County Highways on, or after March 8, 2021, depending on the weather. I've enclosed a resolution and map with the proposed spring load restriction postings. The criteria used for pavements was the pavement condition and area served. Most small towns have one unrestricted road access.

Gravel roads are posted at a 6 Ton restriction. The exception is a section of County 11 west of Grandin.

SUGGESTED MOTION: Adopt resolution implementing spring load restrictions on or after March 8, 2021, as determined by the county engineer.

RESOLUTION TO IMPLEMENT SPRING LOAD RESTRICTIONS
ON COUNTY HIGHWAYS

WHEREAS: Soft base conditions experienced during spring thaw reduce the load carrying capacity of County Highways;

WHEREAS: The Cass County Board of Commissioners desires to prevent serious damage to County Highways;

WHEREAS: 39-12-03 of the North Dakota Century Code authorizes local authorities to impose vehicle weight restrictions on County Highways;

NOW THEREFORE: Be it resolved by the Cass County Board of Commissioners that spring load restrictions will be imposed upon Cass County Highways in the following manner: All County Highways to be posted in accordance with the Cass County 2021 Spring Load Restriction Map dated March 1, 2021. Spring load restrictions will be effective at 12:01 AM on or after March 8, 2021, as determined by the County Engineer.

Dated this 1st day of March 2021.
