RE: Project HART Fund-raiser

Dear Commissioners:

As outlined in the Employee Handbook Policy 610, Solicitation and Bulletin Boards, I am requesting your approval to hold the 4th Annual "Got your 6" Blanket and Coat Drive which benefits homeless veterans in the community who are not as fortunate as many of us are.

We will collect items from October 15th - October 31st, 2021 and then make our donation to the Project HART for distribution.

Thank you for your consideration in this matter.

Sincerely,

Christopher J Deery
Cass County Veterans Service Officer

SUGGESTED MOTION:

Move to allow the solicitation of clothing items from Cass County employees to be given to the Project HART for distribution to homeless veterans.
