SUBJECT: GENIE Industrial Platform Lift

---

---

Buildings and Grounds Supervisor, Gene Gartner, has approached me with a request for an unbudgeted 2021 purchase of a GENIE Industrial Platform lift in the amount of \$11,775.26.

Funding for this purchase is available in the 2021 Buildings and Grounds Jail General Maintenance budget. The lift will replace a 20-year-old lift currently used at the jail. The existing lift would then be moved to the Courthouse.

The platform lifts are used primarily for changing interior lightbulbs in areas with raised ceilings. This work can be done with ladders, but some of the courtroom ceiling heights are 22 feet, and the platform lifts presents a safer option.

**SUGGESTED MOTION: Authorize the Chair to sign the purchase order for a GENIE Industrial Platform Lift (Item# 38R233) in the amount of \$11,775.26 from Grainger.**
