DATE: April 13, 2022  
SUBJECT: Opportunity Near Fargo National Cemetery

---

My understanding is each Commission has been contacted by members of the public about ideas or concepts for future land use adjacent to the Fargo National Cemetery. My information about this concept – and potential county involvement – is limited.

Knowing there are individual conversations happening about this topic, Chairman Steen and I felt it was appropriate to schedule this as a Commission discussion item. **No action is proposed at this time.**
