TO: Cass County Commission
FROM: Jason Benson, Cass County Engineer *JPB*
DATE: May 27, 2022

SUBJECT: Agenda topic for June 20, 2022 Commission Meeting: Public hearing for a resolution to take over road rights-of-way and grant permission to permanently obstruct the same and the underlying section lines of portions of 24th Street Southeast, 27th Street Southeast, 170th Avenue Southeast, 171st Avenue Southeast, and 172nd Avenue Southeast that will be impacted by Phase 1 of the FM Diversion SWDCAI.

On May 2nd, 2022, the Cass County Commission approved a motion that the Cass County Board of Commissioners set a public hearing for June 20th during the regular meeting of the Cass County Commission for a resolution to take over road ROW and grant written permission to permanently obstruct the same of 24th Street Southeast, 27th Street Southeast, 170th Avenue Southeast, 171st Avenue Southeast, and 172nd Avenue Southeast.

Cass County has been working with the Metro Flood Diversion Authority (FMDA) on road closures for the construction of the Diversion Project. In April 2021, the FMDA, Cass County Joint Water Recourse District (CCJWRD), and Cass County approved a Memorandum of Understanding (MOU) for the construction of the diversion over road rights-of-way (ROW).

We are now being asked by the FMDA and CCJWRD to take control of and prepare to close 24th Street Southeast, 27th Street Southeast, 170th Avenue Southeast, 171st Avenue Southeast, and 172nd Avenue Southeast (see map in the attached CCJWRD Resolution). These closures are required for the construction of Phase 1 of the FM Diversion SWDCAI. The County will take control of 24th Street Southeast, 27th Street Southeast, 170th Avenue Southeast, 171st Avenue Southeast, and 172nd Avenue Southeast immediately following the approval of the County Commission. The closure of this road would take place in phases as the FM Diversion SWDCAI will begin construction this fall and next spring. All properties along 24th Street Southeast, 27th Street Southeast, 170th Avenue Southeast, 171st Avenue Southeast, and 172nd Avenue Southeast have been acquired by the CCJWRD. Pursuant to the terms of the MOU, notices of the public hearing were sent to landowners within 1,000 feet of the requests at least 30 days prior to the hearing.

As per the MOU, a **public hearing to gather input from the public must take place prior to the County Commission adopting the resolution.** I request that you open a public meeting to allow for public comment on the road closures. Following the public hearing, the Commission is asked to adopt a resolution taking over road ROW and granting written permission to permanently obstruct the same and the underlying section lines (see attached resolution).

SUGGESTED MOTION: Move that the Cass County Board of Commissioners adopts Resolution #7 to take over road right of way and grant written permission to permanently obstruct the same of portions of 24th Street Southeast, 27th Street Southeast, 170th Avenue Southeast, 171st Avenue Southeast, and 172nd Avenue Southeast

(b) In conjunction with the Authority's request for Road ROW takeover, CCJWRD will file a request with the County to permanently obstruct such Road ROW, pursuant to N.D.C.C. § 24-06-28, with the applicable element of the Comprehensive Project. If CCJWRD's request is granted by the County, the intent is to allow the Road ROW to remain open until, as set forth in Section 3.01, construction on the applicable element of the Comprehensive Project is scheduled to commence.

(c) Upon making their requests to the County, the Authority and CCJWRD will notify all landowners, by certified mail, within a minimum distance of one thousand (1,000) feet of the Road ROW.

(d) In response to the requests, the County will set a time and place for a hearing on the requests, and at least thirty (30) days prior to the date of the hearing, it will provide notice to all landowners within a minimum distance of one thousand (1,000) feet of the Road ROW of the time and place set for the hearing.

(e) The County will hold a public hearing on the requests at the time and place set, and if appropriate following the hearing, it will (i) adopt a resolution granting the Authority's request and take over the Road ROW and (ii) adopt a resolution granting CCJWRD's request and allow the permanent obstruction of said Road ROW at an applicable time.

This authority includes the ability to temporarily close a Road ROW as needed in the discretion of the County. If the County decides to temporarily close a Road ROW, it will be responsible for placing barriers and, whenever possible, providing two (2) weeks' prior notification to the Authority and CCJWRD of such closure.

Section 2.03 FEDERAL WORK AREAS. Prior to the Turnover of a Construction Site that includes Road ROW from USACE to its construction contractor, the County will have control of the Road ROW and will have the authority to make day-to-day decisions about the operation of the Road ROW. This authority includes the ability to temporarily close a Road ROW as needed in the discretion of the County. - (e) Snow removal along the ROW will be dependent on the applicable township's current plow locations. The township will need to provide information to the County if a certain ROW was being plowed as needed by the township or private individuals in the winter.

Section 3.03 COUNTY REIMBURSEMENT. The County may seek reimbursement from the Authority, as set forth herein, for costs and expenses incurred for Routine Maintenance and Extraordinary Maintenance; provided, however, the County must seek prior written approval from both CCJWRD and the Authority before performing Extraordinary Maintenance that exceeds \$5,000.

Section 5.04 THIRD PARTY CONTRACTOR CONSTRUCTION. Upon Turnover, the Third Party Contractor will be responsible for procuring and maintaining insurance requirements set forth in the construction contract. The Authority will include provisions in the construction contract requiring the Third Party Contractor (i) to procure and maintain commercial general liability in the amount of \$3,000,000 and must name CCJWRD, the County, and the Authority as additional insureds under such policy, and (ii) to indemnify and hold harmless CCJWRD, the County, and the Authority for construction performed on the ROW.

Section 6.02 AGREEMENT. The Parties may mutually agree, in writing, at any time, to terminate this MOU.

ARTICLE VII. DISPUTE RESOLUTION

Section 7.01 INTENT AND PROCEDURE. The Parties will cooperate and use their Best Efforts to ensure that the various provisions of this MOU are fulfilled. Section 7.04 LITIGATION; VENUE. All litigation between the Parties arising out of or pertaining to this MOU or its breach will be filed, heard, and decided in the State District Court of Cass County, North Dakota, which will have exclusive jurisdiction and venue.

Section 7.05 WAIVER OF JURY TRIAL. THE PARTIES HEREBY KNOWINGLY, IRREVOCABLY, VOLUNTARILY, AND INTENTIONALLY WAIVE ANY RIGHTS THAT ANY MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY ACTION, PROCEEDING, COUNTERCLAIM, OR DEFENSE BASED ON THIS MOU, OR ARISING OUT OF, UNDER, OR IN ANY CONNECTION WITH THIS MOU, OR WITH RESPECT TO ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN), OR ACTIONS OF ANY PARTY HERETO RELATING TO THIS MOU.
