SUBJECT: Agenda topic for November 7, 2022 Commission Meeting:
Agreement for 36th Street between Cass County Government and Casselton Township and between Cass County Government and Everest Township

Cass County Highway Department and Casselton and Everest Townships have developed Memorandum of Understandings (MOU) for 36th St. The MOU outlines the turn-over of these gravel township roads from Township control to Cass County control. 36th St is the primary road that will be used to access the North Dakota Soybean Processors (NDSP) plant site. This allows Cass County to take over access, right of way control, and utility control, along with general maintenance such as snow plowing, striping, signs.

Everest Township and NDSP have reconstructed 36th St to a County gravel road standard from Cass Highway 23 to 145th Ave. This road is now able to handle the construction traffic needed to construct the NDSP plant. The County be completing a road reconstruction on the east ¼ mile and concrete paving on this 1.2 miles over the next two years.

SUGGESTED MOTION:

Authorize the Commission Chair to sign the Memorandum of Understanding for 36th Street between Cass County Government and Casselton Township and between Cass County Government and Everest Township.

- If a position is partially funded, it is dedicated to that extent to grant activities.
- The grant position(s), if fully funded, would be terminated if the funding were not available.
- The position(s), if partially funded by the grant, would have hours reduced accordingly, if funding were not available.

I. INTRODUCTION

Subrecipient

Subrecipients are state agencies, units of local government (such as a city or county), other general-purpose political subdivisions of a state, or Indian tribes.

Implementing Agency

The Implementing Agency has direct responsibility for carrying out the activities of the grant (such as a police department or sheriff's office).

Authorized Official

The authorized official must have the legal authority to commit the Subrecipient to a contract or other agreement. Examples are the mayor, city auditor, county auditor, director of the state agency, or tribal chairperson. Overall responsibility for the administration of the project rests with this individual.

Project Director

The project director has direct responsibility for implementation of the project activities and spending within the awarded budget. This person will prepare and submit all progress reports as required by the Office of Attorney General (OAG).

Fiscal Officer

The fiscal officer prepares and submits all financial reports as required by the OAG and has responsibility for the financial administration of the project.

II. GENERAL TERMS AND CONDITIONS

General terms and conditions are available online at
https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf

1. The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the Subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements – whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to

conduct during the award period – may result in the Office of Justice Programs (OJP) taking appropriate action with respect to the Subrecipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award.

The Department of Justice (DOJ), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 42 U.S.C. 3795a), and may lead to imposition of civil penalties and administrative remedies for false claims of otherwise (including under 31 U.S.C 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

2. This award is subject to the federal Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 CFR Part 200. For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards, see the OJP website <http://ojp.gov/funding/Part200UniformRequirements.htm>.
3. The Subrecipient agrees to comply with the DOJ Grants Financial Guide posted on the OJP website (currently the “2017 DOJ Grants Financial Guide” available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posed during the period of performance.
4. Subrecipients must comply with the federal Government-wide Suspension and Debarment provisions set forth at 2 CFR Part 180.
5. If a project has commenced operation within 60 days of the beginning project date, the project director will report in writing, the steps taken to initiate the project, the reasons for the delay and the expected starting date. Failure to submit this report when required may result in cancellation of the grant.

If a project has not begun operations within 90 days of the beginning of the project date, the project director must submit a second written report updating the information supplied in the first report. If this report is not received, or if the OAG determines that the delay is not desirable, the project will be canceled.

6. General appropriations-law restrictions compliance on the use of federal funds is required. The Subrecipient at any tier must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various “general provisions” in the Consolidated Appropriations Act, 2021, are set out at <https://ojp.gov/funding/Explore/FY21AppropriationsRestrictions.htm> and are incorporated by reference here.

7. Subrecipients must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that – for purposes of federal grants administrative requirements – OJP considers a “subaward” (and therefore does not consider a procurement “contract”).

The details of the requirement for authorization of any subaward are posted on the OJP website at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards must have specific federal authorization), and are incorporated by reference here.

8. In regards to employment eligibility verification for hiring under the award, the Subrecipient must:
 1. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the Subrecipient properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C 1324a(a)(1).
 2. Notify all persons associated with the Subrecipient who are or will be involved in activities under this award of both:
 - a. this award requirement for verification of employment eligibility, and
 - b. the associated provisions in 8 U.S.C 1324a(a)(1) that, generally speaking make it unlawful in the United States, to hire (or recruit for employment) certain aliens.
 3. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility and of the associated provisions of 8 U.S.C 1324a(a)(1).
 4. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

Allowable Costs: To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary and allocable costs (if any) of actions designed to ensure compliance with this condition.

Rules of Construction:

1. Staff involved in the hiring process: For purposes of this condition, persons “who are or will be involved in activities under this award” specifically includes (without limitation) any and all subrecipient officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.
2. Employment eligibility confirmation with E-Verify: For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the subrecipient may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the subrecipient uses E-Verify (and follows the proper E-Verify procedures, including in the event of a “Tentative Nonconfirmation” or a “Final Nonconfirmation”) to confirm employment

eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

3. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

4. Nothing in this condition shall be understood to authorize or require any subrecipient or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

5. Nothing in this condition, including paragraph 2 under Rules of Construction, shall be understood to relieve any subrecipient or any person or other entity of any obligations imposed by law, including 8 U.S.C. 1324a(a)(1).

9. Subrecipients must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 C.F.R 200.79) within the scope of an OJP grant-funded program or activity, or 2) uses or operates a "Federal information system" (OMB Circular A-130). The subrecipients breach procedures must include a requirement to report actual or imminent breach of PII to the OAG no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

10. Determination of suitability to interact with participating minors.

SCOPE: This condition applies to this award if it is indicated in the application for the award for any subaward, that a purpose of some or all of the activities to be carried out under the award by the subrecipient is to benefit a set of individuals under 18 years of age.

The subrecipient must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP website at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award Condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

11. Subrecipients must comply with all applicable requirements (requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of subrecipients or individuals defined (for purposes of this condition) as "employees" of the subrecipient.

The details of the subrecipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

12. Subrecipients must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the

use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2017 DOJ Grants Financial Guide").

13. The Subrecipient must collect and maintain data that measure the performance and effectiveness of work under this award. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.
14. Any training or training materials that the Subrecipient develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/ojptrainingguidingprinciples.htm>
15. The Subrecipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards
16. The Subrecipient must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The Subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

17. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages subrecipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
18. The Subrecipient agrees to cooperate with OJP monitoring of this award pursuant to OJP's guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The subrecipient agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks. Further, the subrecipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's monitoring activities may result in actions that affect the subrecipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the subrecipient's access to award funds; referral to the DOJ OIG for audit review; designation of the subrecipient as a DOJ High Risk grantee; or termination of an award(s).

19. Subrecipients must comply with all confidentiality requirements of 34 U.S.C 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The subrecipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23.

20. Compliance with National Environmental Policy Act and related statutes.

Upon request, the subrecipient must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds. Accordingly, the subrecipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes.

The subrecipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the subrecipient or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are:

a. New construction;

b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

d. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The Subrecipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The subrecipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bja.gov/Funding/nepa.html> for programs relating to methamphetamine laboratory operations.

21. JAG funds may be used to purchase bulletproof vests for an agency, but they may not be used as the 50% match for purposes of the DOJ Bulletproof Vest Partnership (BVP) program.

22. The Subrecipient agrees to submit a signed certification that all law enforcement agencies receiving body armor purchased with funds from this award have a written "mandatory wear" policy in effect. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

23. Ballistic-resistant and stab-resistant body armor purchased with JAG award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been

tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (<https://nij.gov/>). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: <https://nij.gov/topics/technology/body-armor/pages/safety-initiative.aspx>

24. Any law enforcement agency receiving funding from this JAG award must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.
25. The subrecipient will not make any subawards to State, local, college, or university law enforcement agencies unless such agencies have been certified by an approved independent credentialing body or have started the certification process. To become certified, law enforcement agencies must meet two mandatory conditions: (1) the agency's use of force policies adhere to all applicable federal, state, and local laws; and (2) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. For detailed information on this certification requirement, see <https://cops.usdoj.gov/SafePolicingEO>.

III. COOPERATION

The Subrecipient and implementing agency agree to work with local, state, and federal criminal justice agencies in the performance of the project.

IV. THIRD-PARTY PARTICIPATION

No contract or agreement may be entered into by the Subrecipient and implementing agency for execution of project activities or provision of services for a grant project, unless the contract or agreement was part of the original grant award or is approved in advance by the OAG (exception: purchase of supplies, or standard commercial or maintenance services). Any contract or agreement entered into shall provide that the Subrecipient and implementing agency retain ultimate control and responsibility for the grant project and that the contractor shall be bound by these conditions and any other requirements applicable to the Subrecipient and implementing agency in the conduct of the project.

V. WRITTEN APPROVAL REQUIRED FOR CHANGES

The Subrecipient and implementing agency must obtain prior written authorization from the OAG for major project changes including:

- A. Changes of substance in project activities, designs, or research plans as set forth in the approved application;
- B. Changes in the project director or key professional personnel identified in the approved application;
- C. Changes in the approved project budget as specified under financial conditions;
- D. Grant extensions

A grant extension must be requested in writing before the project period end date. The written request for an extension must state the need for the extension and indicate the additional time frame required to complete the project. In order to receive approval for an extension, financial and progress reports must be completed and submitted to the OAG.

VI. PROGRESS REPORTS

Purpose

Congress appropriates funds for the Justice Assistance Grant (JAG) Program to help state and local governments develop new ways of reducing drug use and violent crime. The value of each project is not only what it does for the community, but what it tells the Drug and Violent Crime Policy Board, the Attorney General, the North Dakota Legislature, the US DOJ, and Congress about drug use and violent crime.

Accordingly, subrecipients must submit Progress Reports to the OAG. Progress reports have the following purposes:

- A. To determine if the Subrecipient operated the project as agreed;
- B. To determine the outcome of the project;
- C. To develop data for criminal justice planning and the North Dakota JAG Strategy;
- D. To help other agencies which might undertake a similar project;
- E. To present information to Congress and the North Dakota Legislature.

Progress Report Requirements

Performance Measurement Tool (PMT) online reporting is required.

The Subrecipient must submit quarterly performance metrics reports through BJA's PMT website (<https://ojpssso.ojp.gov/>). The reporting requirements are due quarterly on the 20th of the month following the end of the quarter.

Additionally, the BJA may require specific project data.

Due Dates

Subrecipients must submit PMT reports quarterly, and depending on your agency/program, semi-annual progress reports may be required. **Reports are to be based on that period's activities.**

Failure to Submit the Progress Report

The OAG will not reimburse any expenditure if any federal progress report is outstanding. Failure to submit the progress reports may also result in the suspension of processing new or continuation projects.

VII. FINANCIAL MANAGEMENT

Accounting Requirements and Procedures

The Subrecipient and implementing agency agree to establish financial accounting procedures to assure proper disbursement and accounting for all federal funds and required non-federal matching funds. All conditions which apply to federal grant funds apply to match funds. These procedures should include timely recording and documentation of receipts and expenditures. At a minimum, your accounting system must:

- A. Separately account for the receipt of federal funds and matching funds under each grant awarded.
- B. Separately account for expenditures under each subgrant, even though it may be a project that is receiving continuation funding. Total costs and receipts must be identifiable under each grant award.

Non Supplanting

The subrecipient and implementing agency agree that federal funds made available through the JAG program must be used to supplement existing funds for program activities and cannot replace, or supplant, state, local, or other non-federal funds that have been appropriated for the same purpose.

Cash Match

The subrecipient assures that matching funds are non-federal dollars. All subrecipients must maintain records which clearly show the source, the amount, and the timing of all matching contributions. Failure to provide the approved match will require you to refund the federal funds to the OAG.

Pre-Agreement Costs

The OAG reimburses only for goods or services purchased during the grant period. Expenditures or costs incurred prior to the "beginning date" listed on the federal Grant Award and Acceptance will not be allowed. Project funds cannot be spent or committed until January 1, 2023.

Budget Deviation

All expenditures of the project must be in accordance with the detailed federal Budget Summary of the Grant Award and Acceptance. The OAG will not reimburse expenses which are not in the approved budget. Requests to purchase items that are not in accordance with the detailed Budget Summary must be made in writing, in advance, to the OAG and will be considered on a case-by-case basis.

Unexpended Funds

Unexpended funds for the specific purposes or conditions of the grant during the awarded calendar year period must be returned to the OAG. These funds will be made available for award during the next grant award process.

Reimbursement/Allowable Expenses

The OAG reimburses actual expenses on a quarterly basis unless otherwise agreed upon by the OAG and the subrecipient. The Summary Financial Report (SFR) must be used to report all grant expenditures and a template will be provided to you. The report is required quarterly and must be submitted to the OAG within 30 days following the end of the reporting period.

The SFR must show all project expenditures during the period of the report. Expenditures should be reported as actual amounts and must be accompanied by complete documentation as indicated below.

A. Personnel Expenditures

Includes: Salary, overtime, and benefits

Documentation required: Hourly rates, copies of check stubs or payroll ledgers, itemization of withholding amounts and benefits paid, and supporting calculations of wages paid (timesheets may be reviewed during audits).

B. Operating Expenditures

Includes: Utilities, office supplies, travel expenses, training, etc.

Documentation required: Invoices, vouchers, receipts, purchase orders, bids and/or sole source documentation, or other supporting documentation.

C. Equipment

Includes: Tangible personal property having an acquisition cost of \$5,000 or more per unit and a useful life of more than one year

Documentation required: Invoices, vouchers, receipts, purchase orders, bids and/or sole source documentation if necessary, or other supporting documentation.

D. Travel

Includes: Meals, lodging, mileage, and commercial transportation for travel approved in the subrecipient's application

Documentation required: Invoices, vouchers, receipts. Sufficient detail must be submitted to support the claim including destination, purpose of travel, dates, and authorization

Mileage, meals and lodging: Will be reimbursed at the local or state rate - whichever is lower; or for out-of-state travel, General Services Administration (GSA) rates will prevail. Current state rates are as follows:

To receive reimbursement for meals you must document departure and arrival times, and you must travel a minimum of four (4) hours, which cover the following time frames:

<u>Meals</u>	<u>State Rate</u>
Breakfast (leave on or before 7:00 a.m.)	\$ 7.00
Lunch (11:00 a.m. - 1:00 p.m.)	\$10.50
Dinner (5:00 p.m. - 7:00 p.m.)	\$17.50

E. Contracts, Leases, and Agreements

Consultant and contractual services, leases, and agreements must be supported by written contracts stating the services to be provided, rate of compensation, and length of time over which the services will be provided. Payments must be supported by invoices providing details on the services provided and when these services were provided. Subrecipients must submit a copy of approved contracts, leases, or agreements before reimbursement will be made.

Unallowable Expenses

The subrecipient understands and agrees that award funds may not be used for items that are listed on the Federal Prohibited Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time. The Prohibited Expenditure List may be accessed here: <https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>.

Federal funds may not be expended for the following items:

- A. Items not part of the approved budget **unless** approved by the OAG

Project Income and Interest

All interest or other income earned as a result of conduct of the grant project (sale of publications, registration fees, service charges on fees, asset forfeitures, etc.) must be reported on the Federal Progress Report. Program income must be reported at the ratio of JAG funds in the project. Program income may be retained and used for any purpose that furthers the objectives of the project.

Program income from asset seizures and forfeitures is considered earned by the project at the time of seizure, and is available for use by the subrecipient upon forfeiture.

In the event the grant project is discontinued, and program income remains unexpended, the federal portion of the program income shall be used by subrecipient for any authorized program purpose area under the JAG program.

Audit Requirements

Subrecipients receiving a total of \$750,000 or more in federal funds: The subrecipient agrees to have an audit which shall be in compliance with the audit requirements of the federal Office of Management and Budget (OMB) 2 C.F.R Part 200.514, "Audits of State and Local Governments, Institutions of Higher Education, Hospitals, and Other Nonprofit Institutions", if \$750,000 or more in total federal financial assistance is received. The audit must cover the period of the award.

The subrecipient understands and agrees that the DOJ awarding agency (OJP) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

Units of local government and non-profit organizations must provide a copy of report of the audit to the OAG.

State agencies must give the OAG a copy of that part of the report of an audit conducted by the State Auditor's Office, which pertains to project funds at the time the agency received funds.

Subrecipients receiving a total of less than \$750,000 in federal funds: The subrecipient agrees to meet the following criteria:

- A. Establish an accounting system integrated with adequate internal fiscal and management controls to provide full accountability for revenues, expenditures, assets, and liabilities;
- B. Prepare financial reports to support claims charged toward the grant award. Reports should be supported by accurate and reliable financial data and should be in accordance with the terms of the applicable agreements; and
- C. Expend project funds in accordance with the federal Grant Award and Acceptance and federal and state rules.

Agencies not required to have an audit must provide and maintain adequate financial records for each period in which they received or spent project funds.

Potential Fraud, Waste, Abuse or Misconduct

The subrecipient must promptly refer to the OAG any credible evidence that a principal, employee, agent, contractor, subrecipient, subcontractor, or other person has either 1) submitted a false claim for grant funds under the federal False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds.

No subrecipient under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or

statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the subrecipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the subrecipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

VIII. INSPECTION OF RECORDS

Retention of Records

Subrecipients must maintain their project file and financial records for three years after the close of the grant and completion of an audit.

Records Inspection

The subrecipient and implementing agency give the OAG or its representatives permission to audit and inspect any records, objects, or premises pertaining to this grant and to evaluate and monitor the project at any reasonable time.

Monitoring

Subawards must be monitored as outlined in 2 C.F.R. 200.331. Program monitoring involves the ongoing collection of information to determine if programs are operating according to plan. Monitoring also provides ongoing information on program implementation and functioning. It is our policy that the OAG or its representatives will monitor your program on an annual basis via telephone, desk review, or on-site visit.

IX. PROCUREMENT

The subrecipient must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm>

(Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

Adequate Competition

All procurement transactions, whether negotiated or competitively bid, and without regard to dollar value, should be conducted in a manner so as to provide maximum open and free competition. A state purchase price as obtained by the Office of Management and Budget (OMB) State of North Dakota, may be considered the same as a bid price.

Level or Competition Required

When needed commodities or services cannot be obtained from an existing source or a government entity, state procurement procedures must be used. The dollar of the purchase determines the level of competition required:

Purchasing Thresholds Effective July 1, 2018		
Level	Competition Requirements	Documentation Maintenance Requirement
<p>Level 1 “Micro” Purchase</p> <p>Less than \$10,000</p>	<p>Obtain at least one fair and reasonable quote.</p> <p>Note: Equipment and software must be added to inventory if \$5,000 or greater. (N.D.C.C. § <u>54-27-21</u> Fixed Asset Minimum Reporting Value)</p> <p>State agencies (excluding Higher Education institutions) must submit printing purchase requests \$5,000 and over to OMB State Procurement.</p>	<p>Rotate vendors solicited on an equitable basis (N.D.A.C. § <u>4-12-08-02</u>)</p>
<p>Level 2 Small Purchase</p> <p>At least \$10,000 but less than \$50,000</p>	<p>Solicit informal quotes/bids or proposals from at least three vendors, or post to SPO Online with appropriate state bidders list. Alternate Procurement (Sole Source)

Competition is required for Level 2, Level 3 and Level 4 purchases. Occasionally, a fully competitive procurement process may be difficult or impossible. Factual evidence and/or documentation is needed in order to justify non-competitive purchases (i.e.: product needs to be compatible with existing equipment; or statement from the vendor that the product is covered by a patent or not sold through resellers). The State Procurement Office (SPO) reviews and approvals all alternate procurements. Please contact the office’s Procurement Officer for assistance.
