Dear Cass County Commissioners,

The Cass County Coroner's Office is requesting a budget amendment as our transport vehicle requested for 2022 will not arrive by the end of the year. The projected date for the vehicle to arrive is Spring 2023. I'm requesting the amount of the coroner vehicle to be allocated to the 2023 budget.

SUGGESTED MOTION: Authorize budget adjustment for the Cass County Coroner's Office in the amount of \$161,572.00 for the coroner vehicle.

Sincerely,

Kriste Ross
Cass County Coroner
