Chad Peterson, Chair
Cass County Commission
Via email

Chairman Peterson,

I am requesting to have the attached service quote considered for approval at the next commission meeting. The quote is slightly higher than the \$5,000 threshold which requires commission approval.

This quote is for a mirror film to be applied to the interior windows that physically separate 4 sections of one of the single bunk housing pods at the jail. Total expenses for installation are \$5,288.70.

The film is necessary due to population management decisions and the immediate need for additional single-bunking of both male and female inmates. Application of this film will prevent inmates of different genders from being able to see each other within the housing unit, and is necessary to remain in compliance with North Dakota Correctional Facility Standards and with the federal Prison Rape Elimination Act of 2003.

Sincerely,

Capt. Andrew Frobig
Jail Administrator
