FROM: Jason Benson, Cass County Engineer *MB*

DATE: April 24, 2023

SUBJECT: Agenda Item for May 1, 2023 Commission Meeting: 2023 Spring Flood Update

---

On the weekend of April 22-23 both the Red River in Fargo and the Sheyenne River in Harwood crested. Fortunately, both rivers and other tributaries generally crested below what was originally projected due to the colder than average spring and lower precipitation than normal for April.

I would like to provide a brief roll up of our County flood efforts.
