

## MEMO

TO: Cass County Commission

FROM: Jim Prochniak, Cass County Emergency Manager

DATE: May 23, 2023

SUBJECT: Request to Donate Antenna Equipment

---

Emergency Management requests to donate a Cass County antenna that was used with the old VHF radio system and is located at the Buffalo tower site. The County no longer utilizes the antenna after migrating to the 800MHZ Armer radio system. Red River Radio Amateurs – RRRRA, a local nonprofit group and our communications redundancy partner, can make use of the antenna as part of their communication system. This donation will allow RRRRA a communication signal in the western part of Cass County.

**Suggested Motion:** Authorize the donation of the Cass County radio antenna located in Buffalo, ND, to Red River Radio Amateurs.
