Good afternoon,

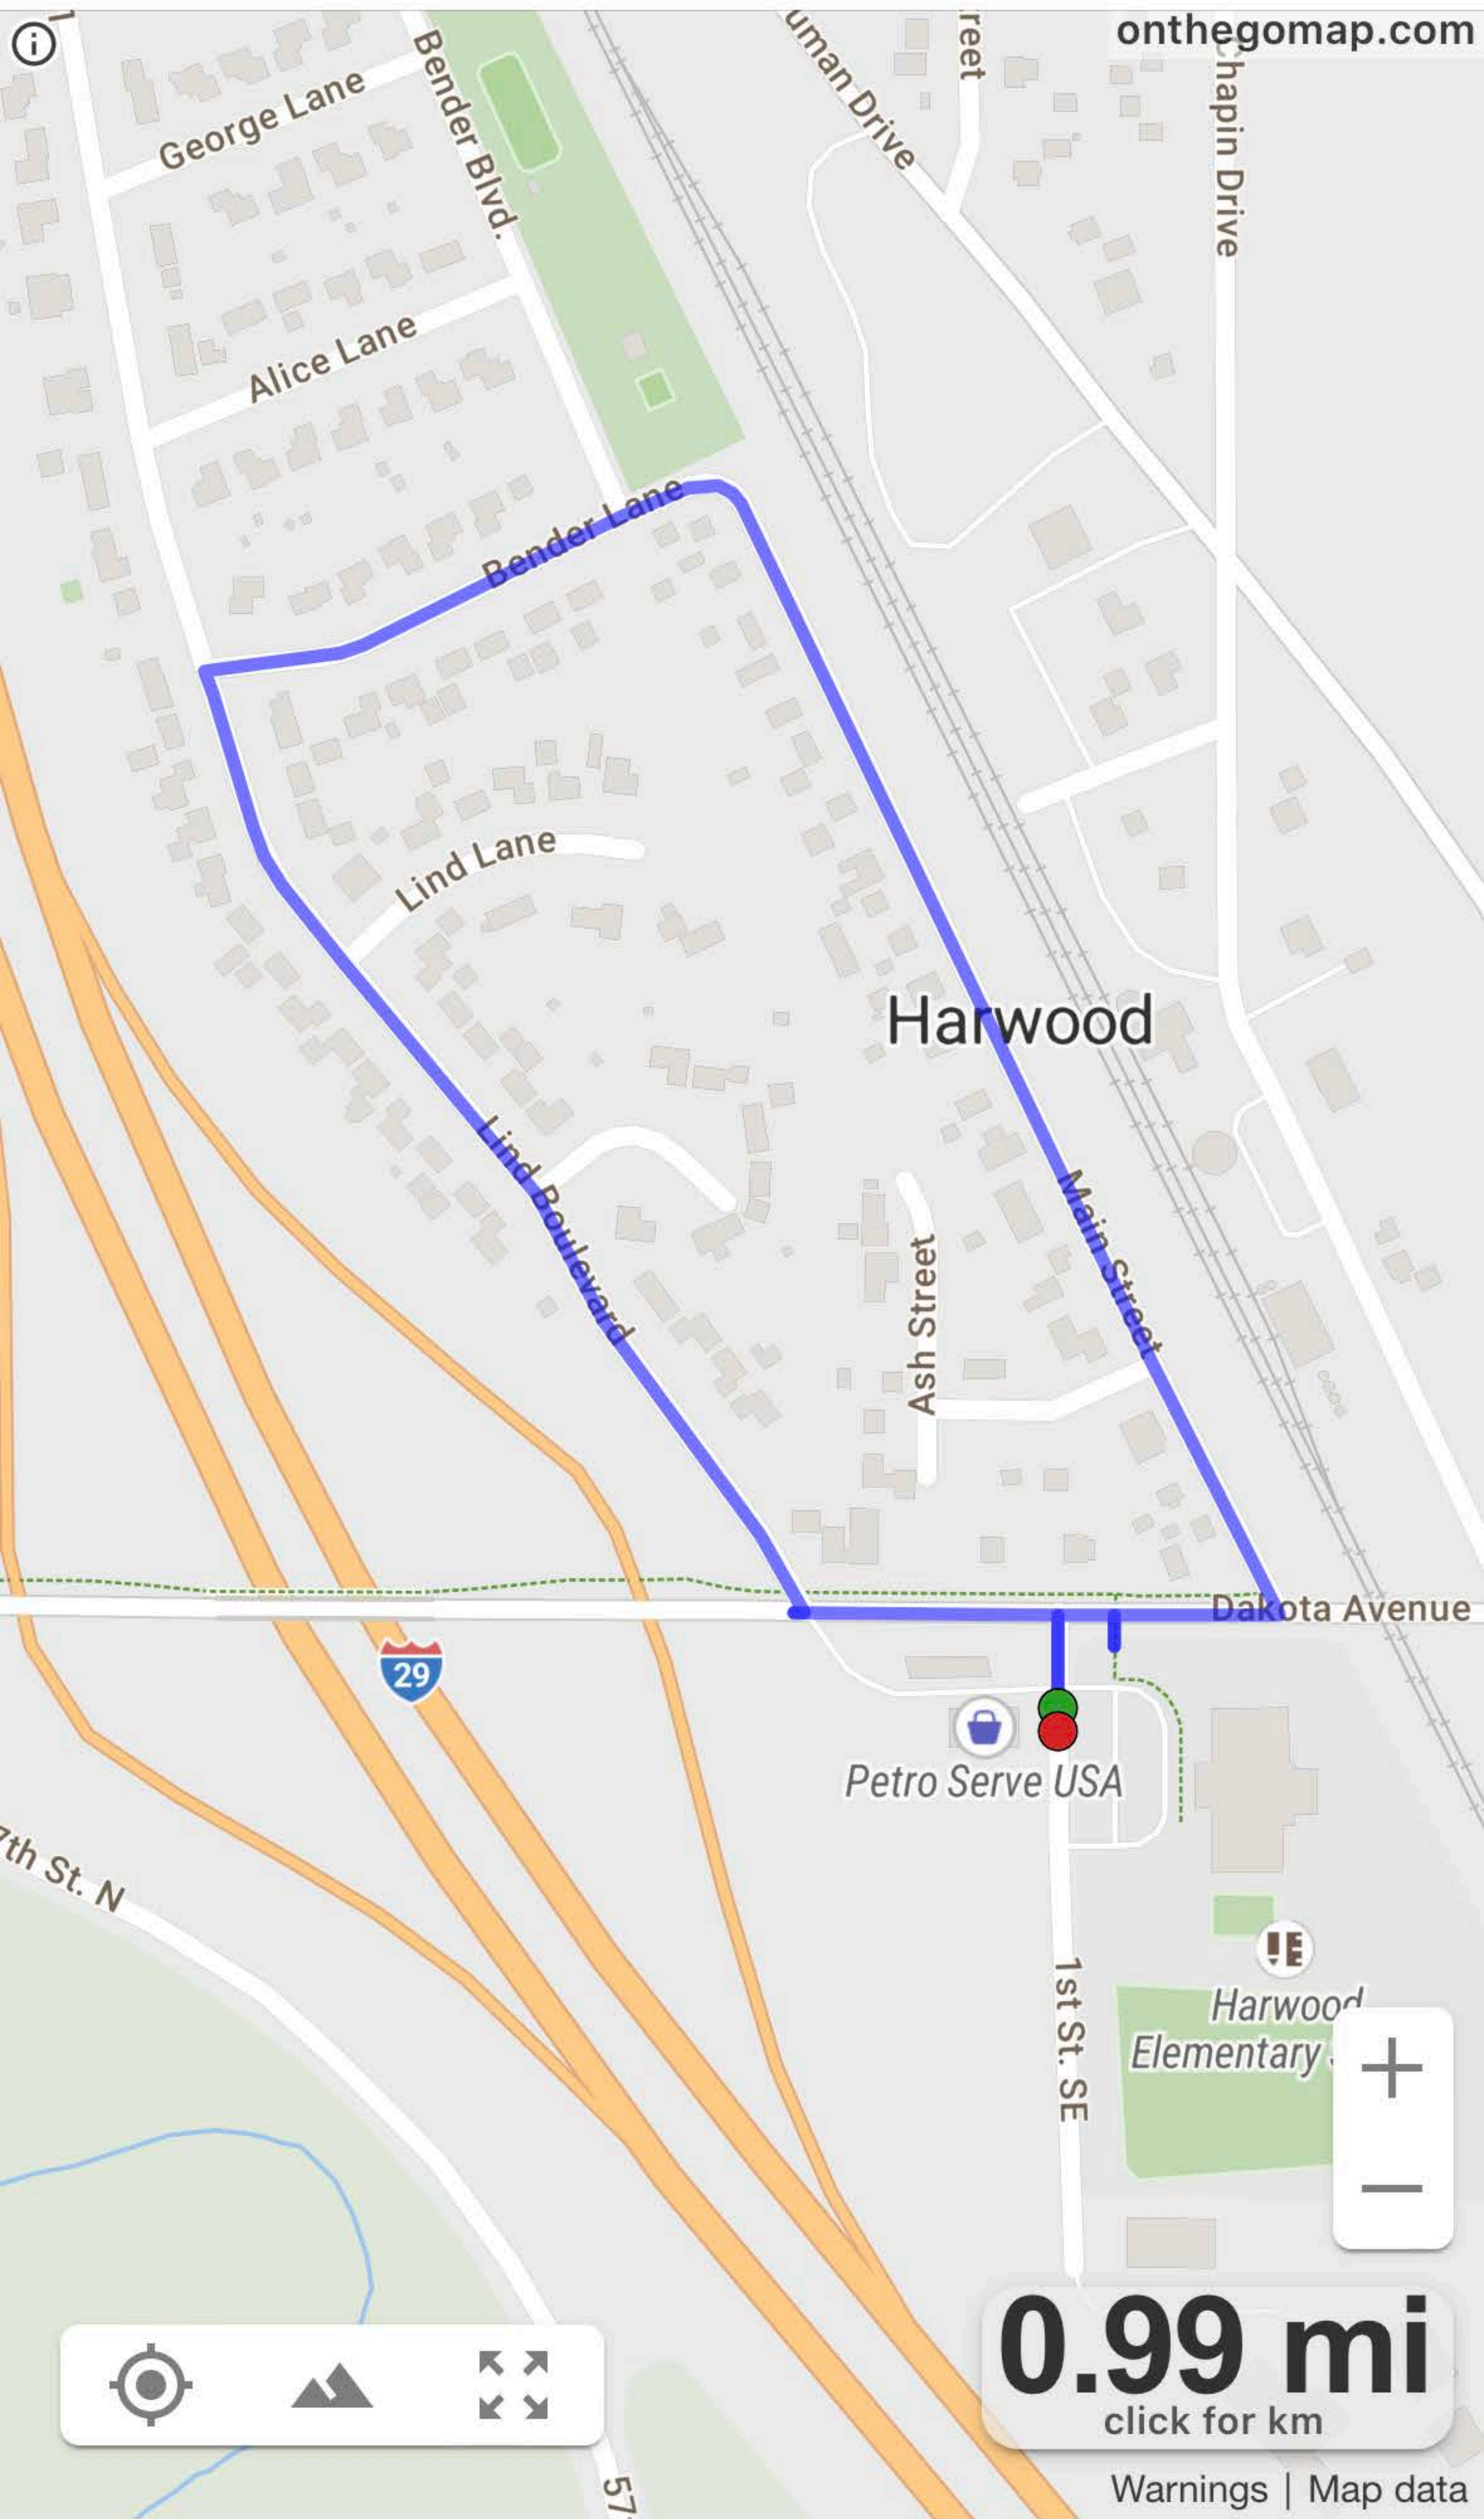

My name is Ashley Hansen and I am with the Park Board in Harwood, ND. We are putting the finishing touches on our color run 5k/1 mile on June 21. The route does go across the county road a couple of times. We are seeking a permit for a temporary closure for runners to cross the road. The race begins at 6:30pm and will conclude in about an hour to an hour and a half with minimal closure time for runners to get across. for the parade to go through town. Please see the map for exact details. Thank you for your consideration.

If you are no longer the correct contact, please advise and forward my inquiry to the correct contact.
