Comments:

Thank you for considering this last minute request. We committed to providing bar services for a wedding at a private farmstead in Harwood. Our GM that normally handles this is out on maternity leave and everyone thought everyone else had taken care of it. Totally our oversight, but I hate to mess up their event because of our error. If there is any way we could get this for consideration on the upcoming July 5 commission agenda I would really appreciate it! Please let me know if there is anything else you need from me right away.

Respectfully,

Dan Hurder
