Carl Edbow of Highland Park was present to discuss a request to add a bike path near old County Road 31. He said there was a bike path near the old County Road 31, however, old County 31 was replaced with a dike and there is no bike path near the new County Road 31. Mr. Peterson said he received email correspondence from Mr. Edbow and forwarded the information to County Engineer, Jason Benson to review.

Hearing no further comments, Mrs. Scherling moved to the regular agenda items.

7. INFORMATION TECHNOLOGY, Position changed approved

County Information Technology Director, Bob Henderson was present and said on April 17, 2023 the Personnel Overview Committee approved forwarding a new position for the IT Office for an IT Security Analysis to be graded within the County's pay matrix. He said Gallagher has recommended the position be graded at a C42. Mr. Henderson said due to changes in the IT Department and changes in the IT landscape, cyber security is a growing need within the County. He said the request today is to dissolve an existing IT Specialist III position (C41) and replace it with the IT Security Analyst. He said the person in the existing position has recently retired, meaning no staffing will be eliminated and due to the tenure of the retired person, there would be no 2023 fiscal impact.

Mrs. Scherling asked what the pay difference is between a C41 and C42. Mr. Henderson said the C42 starting pay is \$1,500 more than the C41.

MOTION, passed

Mr. Breitling moved and Mr. Kapitan seconded to approve the IT Director to dissolve an existing IT Specialist III (C41) position and replace it with a new Security Analyst (C42) position within the 2023 budget year. On roll call vote, the motion carried unanimously.

8. FINANCE OFFICE, 2024 Preliminary Budget approved

County Finance Director, Brandy Madrigga was present and said for consideration today is the 2024 preliminary budget and proposed hearing date of Monday, September 18, 2023. She said upon approval of the preliminary budget and setting the final budget hearing date, the Finance Office will publish the preliminary budget on the County's website and publish the notice for the final hearing date, time, and place in the official county newspaper, the Forum, in addition to sending notices to those taxpayers and entities that are required by North Dakota Century Code.

Ms. Madrigga said in 2024, the value of a mill will increase by 12% and have a value of \$1.26 million. She said during budget hearings the Commission voted to decrease the general fund by 2.00 mills bringing Cass County's total mills to 52.55. Ms. Madrigga said the 2024 general fund revenue has an increase of \$2.1 million or 4.7% over 2023 and the 2024 general fund expenditures has an increase of \$3.1 million or 6.5% over 2023. She said these revenues and expenditures result in an overall decrease of the general fund balance of \$2.9 million which leaves the general fund balance at \$14 million or 28% of expenditures.

Ms. Madrigga said the 2024 budget includes a 12% increase to health insurance premiums. She said Cass County administers a self-funded health insurance plan and utilizes Blue Cross Blue Shield (BCBS) to provide actuarial estimates on expected costs and recommended premiums. She said the County received the 2024 recommended premiums from BCBS last week and 2023 actual expenses are trending \$75,000 higher than BCBS's estimate of \$6.9 million, which increases the

forecasted deficit to \$300,000. She said actual 2021 revenue over expenses fell short by \$500,000 and by \$780,000 in 2022. Ms. Madrigga said BCBS has recommended increasing premiums by 27% in 2024 and premiums would have to be increased by 47% to cover BCBS maximum costs. She said in the past, the maximum has not been adopted. Mr. Wilson said in recent years, the County has seen trends where the ending fund balance is over budget and revenues are used to cover actual expenses. He said in the past there were years where revenues were over expenses that allowed the County to keep premiums low. Mr. Peterson said being the health insurance is self-funded, there will be years of highs and lows. He said his concern is that if there are many low years in a row, the plan may need to be reviewed.

MOTION, passed

Mr. Kapitan moved and Mr. Breitling seconded to approve the 2024 preliminary budget of \$168,193,860 with a maximum mill levy of 52.55 and to set September 18, 2023, at 3:30 PM in the Cass County Commission Room at 211 9th Street South, Fargo, North Dakota as the time and place to consider constituent's comments concerning the 2024 Preliminary Budget and the Mill Levy to support the 2024 budget as required by Article 8, Section 4 of the County's Home Rule Charter. On roll call vote, the motion carried unanimously.

9. VOUCHERS, Approved

10. MEETING UPDATES, Committee reports

Commissioners and staff reported on meetings they have attended or will be attending in the upcoming weeks.

Mr. Kapitan said at the National Association of Counties (NACo) Convention last week, he was reappointed to the Veterans and Military Services Committee and the Transportation Steering Committee, and appointed as the Chair of the Aviation Sub-Committee.

Ms. Madrigga said the Finance Office will be holding two recall elections in the next two weeks, one for the City of Horace, and one for West Fargo Public Schools. Mr. Peterson asked what the cost of a recall election is. Ms. Madrigga said recall elections cost approximately \$30,000 to \$50,000.

Mr. Wilson said County Weed Control Director, Stan Wolf has informed the Administration Office of the passing of a former Weed Control Board member of 28 years, Larry Wilcox. He said the Administration Office is in the process of having a certificate of appreciation made in honor of Mr. Wilcox and his service to the Weed Control Board.
