6. PUBLIC COMMENT

Mr. Peterson asked for public comment and hearing none, moved on to the regular agenda items.

7. FARGO PAYMENT IN LIEU OF TAXES FOR HOUSING AUTHORITY OF CASS COUNTY, County to not participate in incentive and negotiate the terms of the incentive

West Fargo Economic Development Manager, Casey Sanders, provided information from the City of West Fargo regarding an application for a 17 year payment in lieu of taxes (PILOT) for the Housing Authority of Cass County to construct 71 units of low income housing which will serve senior citizens. Executive Director of the Housing Authority of Cass County, Derek Johnson was present and said there is a growing need in Cass County for low income housing. He said there is a lack of affordable rental housing and the Housing Authority has over 300 seniors on a waiting list for housing. He said the Housing Authority currently has 110 senior housing units and the average income of tenants is \$17,800. He said many of the current units were built in the 1960s and need replacements and repairs. Mr. Johnson said the application includes a proposal to sell current units in Casselton and place the residents in West Fargo where there is more access to services.

Development Director for the project, Chrisopher Miller was present and said the goal of the project is to provide affordable senior housing. He said the project is located in an ideal spot for residents to access services such as hospitals, banking, grocery stores, and the property includes community space. Mr. Miller said the project is forecasted to create 107 construction jobs and 27 annual jobs. He said the PILOT application is for 17 years and includes payment of \$100 per unit and increases by 2% each year.

Mr. Peterson asked if the West Fargo City Commission or West Fargo Public Schools have acted on the application. Ms. Sanders was present and said the West Fargo City Commission will act on the application later today and West Fargo Public Schools is not acting on any incentive applications until a committee has been formed to review the applications. She said the West Fargo Economic Development Advisory Committee recommended the application be approved by the West Fargo City Commission.

Mr. Peterson said the goal of the project is to provide affordable housing to seniors. He said the cost of the project is \$16 million and over \$460,000 per unit and he does not believe the proposed project is the best use of funds to help the most people. He said the developer and architect fees are high and he believes the project can be done better. Beyond Shelter Chief Executive Office, Dan Madler was present and said the total project cost for both phases is \$29 million and includes all costs, not just construction. He said the architects and developers of this project work specifically with low income housing projects. Mr. Madler said there is a significant difference in low income housing projects versus normal housing projects, leading to higher risks for investors. He said the architecture and other professional fees are 4.5%. He said the developer fee may be reduced to maximize tax credit equity and accounts for accounting margin of error. Mr. Madler said the Housing Authority is conscious of being cost sensitive. Mr. Johnson said this project is not being done for profit, and much of the developer costs are saved for future asset needs such as replacement reserve funding.

MOTION, withdrawn

Mr. Grindberg moved and Mr. Breitling seconded to participate in the request for a PILOT in the City of West Fargo submitted by the Housing Authority of Cass County to assist with constructing 71 low income housing units at a property located at 2500 6th Street East for up to a seventeen year period. Discussion: Mrs. Scherling said she agreed with Mr. Peterson, the cost of the project seems high. She said the application should be approved by the City of West Fargo before the County Commission acts. Mr. Kapitan suggested the

motion be approved contingent on the West Fargo City Commission approving the application. Mr. Grindberg withdrew the motion to follow precedent that the Commission act on the application after the City of West Fargo and West Fargo Public Schools have acted.

MOTION, withdrawn

Mrs. Scherling moved to table action on the application. Mr. Wilson said the Commission must act on the application within 30 days of receiving notification of the application from the city per NDCC. Mrs. Scherling withdrew the motion.

MOTION, passed

Mr. Grindberg moved and Mr. Kapitan seconded to not participate in the request for a PILOT in the City of West Fargo submitted by the Housing Authority of Cass County to assist with constructing 71 low income housing units at a property located at 2500 6th Street East for up to a seventeen year period and negotiate the terms of the property tax incentive as described in N.D.C.C 40-05-24. On roll call vote, the motion carried unanimously.

8. ROAD, Memorandum of Understanding with Diversion Authority approved

Assistant County Engineer, Matt Stamness was present and said for the Commission's consideration is a Memorandum of Understanding (MOU) with the Diversion Authority to allow thirty-seven feet of floodwater to pass through the USGS gage at Fargo, between the Cities of Fargo and Moorhead. He said this operation elevation has an effect on four locations along County Highway 31. He said Cass County will be leading the construction as this issue is caused by the operation of the diversion once it is completed, however, the Diversion Authority will be responsible for paying for the improvements. The MOU outlines the locations and reimbursement of the work.

MOTION, passed

Mr. Breitling moved and Mr. Kapitan seconded to approve the Memorandum of Understanding between Cass County and Metro Flood Diversion Authority for the thirty seven foot road improvements. On roll call vote, the motion carried unanimously.

9. SHERIFF, Civil processing fee changes approved

County Sheriff, Jesse Jahner was present and said the request today is to change the civil processing fees charged by the Sheriff's Office based on North Dakota Century Code (NDCC) and to recover costs incurred to Cass County in serving civil process actions. He said fees have not been changed for several years. Mr. Jahner said the current fee is \$0.50 per mile and the request is to change the rate to be consistent with the United States Internal Revenue Service (IRS) standard mileage rate. He said the request is also to charge a flat rate of \$5.00 for administrative fees accrued rather than charge for them individually as it is now. He said an increase in the administrative fees would more appropriately reflect administrative duties not currently accounted for.

Mr. Peterson asked how much the County collects in administrative fees each year. Captain Katie Fuller was present and said in 2021 the average administrative fee was \$1.18 totaling \$4,188 for the year and in 2022 the average administrative fee was \$1.27 totaling \$5,399.51. She said the increase will be substantial. Ms. Fuller said if the increase was implemented in 2021, the total fees would have increased by \$13,571.65 and in 2022 increased by \$15,900.49

MOTION, passed

Mr. Kapitan moved and Mr. Breitling seconded to approve the increase of the civil process mileage fees from \$0.50 per mile to mileage consistent with the IRS standard mileage rate and approve a change in administrative fees accrued to process the civil service to a flat rate of \$5.00. On roll call vote, the motion carried unanimously.

10. SHERIFF, Special event administrative fee waived for the Red River Valley Fair

Mr. Jahner said the request today is to waive the special event administrative fee for the Red River Valley Fair in the amount of \$450. He said the fee was incurred when the RRVF contracted with the Sheriff's Office to provide security during the fair in July. He said the Sheriff's Office utilizes the RRVF grounds to conduct training at no cost.

MOTION, passed

Mr. Grindberg moved and Mr. Kapitan seconded to approve the request to waive the \$450 administrative fee for the Red River Valley Fair in exchange for the Cass County Sheriff's Office to utilize the Red River Valley fairgrounds for training. On roll call vote, the motion carried unanimously.

11. SHERIFF, Purchase of rifle body armor approved

Mr. Jahner said the request today is to purchase rifle-related body armor plates to protect Deputies from potential rifle fire situations. He said the request is to purchase 80 rifle plates and the Sheriff's Office received two quotes, one from Tactical Products in the amount of \$33,520 and one from Kiesler Police Supply in the amount of \$30,650. Mr. Jahner said he would like to purchase the armor plates from Tactical Products as the plates are lighter and NIJ certified. He said the purchase can be covered within the existing Sheriff's Office budget.

MOTION, passed

Mr. Kapitan moved and Mr. Breitling seconded to approve the purchase of rifle body armor plates from Tactical Products in the amount of \$33,520 utilizing existing funds in the 2023 budget from the vehicle budget line item. On roll call vote, the motion carried unanimously.

12. INFORMATION TECHNOLOGY, Purchase of upgrade to flood stages application approved

Information Technology Director, Bob Henderson was present and said for the past decade Cass County has hosted an interactive tool that forecasts water levels throughout the County at various stages of flooding. He said the current application was last updated in 2012 and the update will have a life span of approximately 5 years. Mr. Henderson said the cost is \$14,700 and can be absorbed into the current Highway Department budget.

Mrs. Scherling asked how the application will change after the completion of the Metro Flood Diversion. Mr. Henderson said after the Diversion is complete, IT will need to evaluate the application and add the new data. Mrs. Scherling said the flood states application is essential to rural residents and any homeowner.

MOTION, passed

Mrs. Scherling moved and Mr. Breitling seconded to authorize the IT Director and County Engineer to purchase services from ProWest to rewrite the custom Flood Stages ArcGIS application in the amount of \$14,790. On roll call vote, the motion carried unanimously.

13. COUNTY ABANDONED CEMETERIES

County Administrator, Robert Wilson was present and said NDCC 23-06-30 states responsibility for maintenance of abandoned cemeteries within a county is the responsibility of that county. He said there are several abandoned cemeteries identified in Cass County including the Springvale Cemetery, Rose Valley Cemetery, Addison Evangelical Cemetery, and Cass County Central Cemetery. Mr. Wilson said the County has a contract for a County Sexton with Jeff Baer who has been in the role since the early 1990s. Mr. Wilson said Mr. Baer and Buildings and Grounds coordinate maintenance of Cass County's known cemeteries.

County Sexton, Jeff Baer was present and said he has been the Cass County Sexton since 1991. He said he is requesting Cass County form a cemetery Board to establish and enforce general cemetery rules and oversight of property maintenance. He said enforcement of cemetery rules has been a recent issues with cultural customs and issues with litter in some of the cemeteries.

County Coroner, Kristie Ross was present and said Mr. Baer has made all the decisions and enforcement of rules at the cemeteries for years and needs assistance to keep the cemeteries clean and nice. She said over the past few years, litter has gotten out of hand. She said a group of volunteers including herself and Mr. Baer went to Springvale Cemetery after the 4th of July and collected 13 garbage bags full of trash from the cemetery. She said there are signs up at all the cemeteries, however, there is no means of enforcement other than Mr. Baer.

Mr. Wilson said the item today is for the Commission's information with a request at the Commission's next meeting to adopt a Cemetery Board. The potential Board members include the County Cemetery Saxton, County Coroner, Buildings and Grounds Supervisor, Commissioner (Coroner Portfolio), Administrator (or Assistant Administrator), Local Funeral Director, and a community representative. Mrs. Scherling suggested a representative of community groups or religions be on the Board. Mr. Wilson said following the meeting today, the County will put out a press release to get community support for the Board. Mr. Peterson thanked Mr. Baer for his work over the past nearly 30 years.

14. TAX EQUALIZATION, Office remodel approved

Mr. Wilson said the 2023 Building Fund includes \$55,000 to remodel the Tax Equalization Office. He said the request today is to remodel the space across from the current Tax Equalization Office which includes the "living room", Court Transport Offices, and a quarter of the old Commission Room. He said this option gives the Tax Equalization Office a better office layout and space to grow when needed. Mr. Wilson said if this proposal is accepted, the Court transport Offices would move across the hall into the current Tax Equalization Office space. He said earlier today, the Building Committee recommended the Commission adopt the proposal for the remodel. He said the remodel portion of the project can be covered within the existing 2023 budget, however, if additional furniture, fixtures, and equipment are needed, the purchase would require a budget adjustment.

Mrs. Scherling said the current Tax Equalization Office set up is less than ideal and it is not clear who a person should speak with upon entering the office. She asked if the wood and fixtures in the "living room" space will be preserved. Mr. Peterson said yes, the current wall will be moved out, preserving much of the existing space.

MOTION, passed

Mrs. Scherling moved and Mr. Breitling seconded to approve the proposal from TL Stroh Architects to remodel the Tax Equalization Office. On roll call vote, the motion carried unanimously.

15. VOUCHERS, Approved

MOTION, passed

Mr. Breitling moved and Mr. Peterson seconded to approve Voucher No. 338355 through Voucher No. 338652 for a total of \$5,001,134.55. On roll call vote, the motion carried unanimously.

16. MEETING UPDATES, Committee reports

Commissioners and staff reported on meetings they have attended or will be attending in the upcoming weeks.

17. CORRESPONDENCE, Received and filed

- Letter from Danielle Peterson, Chair of the North Dakota Recorders Information Network (NDRIN), regarding action taken by the NDRIN Board to refund \$150,000 to County members. Cass County received \$22,899 in print revenue to be deposited in the Document Preservation Fund and \$33,639.60 in document count funds to be deposited in the General Fund.

MOTION, passed

Mrs. Scherling moved and Mr. Breitling seconded to receive and file correspondence outlined by the secretary as follows: Motion carried.

18. ADJOURNMENT

MOTION, passed

On motion by Mrs. Scherling, seconded by Mr. Breitling and all in favor, the meeting was adjourned at 4:54 PM.
