### MEMORANDUM

TO: Cass County Commission

FROM: Jason Benson, County Engineer *JB*

DATE: September 6, 2023

SUBJECT: Agenda Item for September 18<sup>th</sup>, 2023 Cass County Commission. Update on the Status of the Highway Department's 2023 Road and Bridge Projects and Road Improvements/Impacts of the FM Diversion

After a long summer of construction, the Cass County Highway Department is nearing completion of much of its road and bridge projects. At the same time, the FM Diversion project is moving along with several bridge projects and channel work that will impact a number of Cass County roads this fall and winter.

The Cass County Highway Department would like to provide the Commission a short update on these projects and road impacts to bring awareness and ensure shared understanding when discussing these projects with constituents.
