Re: 2024 Precinct Boundaries & Polling Location Updates

Dear Commissioners:

Pursuant to N.D.C.C. §16.1-04-01, precincts may not be established later than December thirty-first of the year immediately preceding an election cycle. We are not proposing any changes to the precinct boundaries in Cass County. Consistency is important for our voters and our current boundaries will serve the public well for 2024.

Following further consideration, we are recommending the removal of the West Fargo Sports Arena from the list designated locations for both the primary and general 2024 elections. It was determined that, due to the size and layout of the site, the WF Sports Arena would not be conducive to an efficient polling location. There are other centers in the vicinity that removing the WF Sports Arena will not negatively impact voters.

We have recently been notified that, due to a revised NDSU football schedule, the Fargodome is no longer available as a vote center on Saturday November 9th, 2024. The Cass County Finance Office and Fargodome's management team agree that a Bison game running concurrently with voting is not ideal and makes the location unmanageable. Therefore, in lieu of the Fargodome early vote center on Saturday November 9, 2024, we have secured the Fargo North High School building, which is located just 2 blocks West of the Fargodome.

Sincerely,

Brandy Madrigga
Cass County Finance Director

SUGGESTED MOTION:

Move to approve the precinct boundaries for Legislative Districts 10,11,13,16,21,22,27,41,44,45 and 46 and polling location adjustments for 2024 as outlined by the Finance Director.
