Use of net income	Unrestricted	Restricted
Games allowed	Bingo Raffles Sports Pools	Bingo Raffles Sports Pools Poker Twenty-One Paddlewheels

Compared to a "Local Permit," an organization or group with a "Restricted Event Permit" may conduct three more game types, but is restricted to one event per year, must file a "Report on a Restricted Event Permit" with the city or county and Office of Attorney General, and disburse net income to eligible uses. These uses are described by North Dakota Century Code 53-06.1-11.1(2) and North Dakota Administrative Code 99-01.3-14-02. Refer to the backside of the "Report on a Restricted Event Permit" form for a general list of eligible uses.

For a Restricted Event Permit, one method to ensure that the total of all cash prizes and retail value of all merchandise prizes do not exceed \$40,000 is to charge each player a standard amount at the start of the event for a certain number or value of chips. If a player loses all of the player's chips, the player may re-buy chips. The player would play games and, at the end of the event, the organization would auction merchandise prizes to the players. The player who bid the highest number or value of chips for a prize would win that prize. For those players who have chips but did not successfully bid on a prize, the organization may redeem the chips for a predetermined cash value per chip. For this method, the value of the players' chips redeemed for cash is no a prize.
