Re: Appointment of Primary Election Inspectors

Dear Commissioners:

Pursuant to §N.D.C.C. 16.1-05-01, the Board of County Commissioners, in cooperation with the county auditor, shall appoint the inspectors of the election for all polling locations within Cass County by 40 days preceding the election.

Each election board must be comprised of at least one election inspector per polling location within the county. The election inspector supervises the conduct of the election and ensures that all election workers are performing their duties. Additionally, the inspector and judges verify the results of the election and return the election results and associated ballots to the county auditor at the close of polls.

The Cass County Finance Director is committed to providing a positive voting experience to all voters within Cass County while simultaneously upholding the security and integrity of elections. The enclosed list of election inspectors ensures Cass County's success for the upcoming elections. It is recommended that the Cass County Board of Commissioners adopt the proposed resolution.

Sincerely,

Brandy Madriga
Cass County Finance Director

SUGGESTED MOTION:

Move to approve the enclosed list of election inspectors and approves the county auditor to fill any vacancies that may exist for the 2024 Primary Election.
