Re: Purchase of a Mobile Crisis Incident Command Vehicle from Casselton Fire Department

Chad Peterson, Commission Chair,

At May 20th's 2024 Commission meeting, I presented information on a Mobile Crisis Incident Command Vehicle that the Casselton Fire Department is going to be selling. I presented information on the vehicle and my belief that this vehicle would fit our needs for a Mobile Crisis and Major Crime Scene Vehicle. Purchasing the vehicle would greatly increase our office's ability to work through major incidents such as barricaded subjects, mass casualty events, crowd management, mass gatherings, and crime scenes. During that meeting, I could not give a total price because I had not received all the information regarding wrapping or placing our graphics and logos on it. Since that time, we have received an estimate that we feel is manageable and gives us an overall idea of the total cost. With that being said, I provide the following cost analysis,

Purchase of vehicle	\$40,000.00
Upfit vehicle with Mobile Command capabilities (IT)	\$9,883.00
DE Stripe and Wrap Vehicle	\$5,250.00
Upfit with Radio Capabilities	\$6,000.00
Crime Scene Supplies	\$3,500.00
Total	\$64,633.00

After reviewing our budget, I believe we can adjust our weapons and ammunition budget line item to pay for the DE Stripe and vehicle wrap, crime scene supplies, and upfit with radio capabilities for \$14,750.00. I would be requesting the remaining funds in the amount of \$49,883.00 towards the purchase and remaining upfit as an additional budget request from the commission.

Suggested Motion

To approve the \$49,883.00 to purchase and upfit Mobile Incident Command Vehicle from Casselton Fire Department and allow the Cass County Sheriff's Office to adjust their weapons and ammunition budget line item in the amount of \$14,750.00 to use in outfitting Mobile Command Vehicle.

Respectfully,

Jesse Jahner
