Re: 2025 Budget Hearing

Dear Commissioners:

The date of September 16, 2024, at 3:30 PM has been set to hold a public hearing on the 2025 Cass County Budget. A notice was published in *The Forum* and is also posted on our web site along with the detailed preliminary budget. Estimated Tax Notices were sent to approximately 66,000 Cass County property owners as required by NDCC 57-13-02. We included notices of hearings on the estimated tax statements for those entities levying more than \$100,000 in property taxes.

The Preliminary Budget approved in August, totals \$186,716,259, with a maximum mill levy on county property of 52.55 mills, equal to the mills levied for 2023 taxes (2024 budget).

This budget continues the amount levied and budgeted for the Capital Projects Fund.

This budget included 32 new positions, mostly to staff the new jail pod, a 2.5% Cost-of-living (COLA) for Employees, and an increase of approximately 12% in health insurance costs.

I want to express my appreciation to the Cass County Department Heads and staff in preparing the 2025 county budget and to the County Commission for conducting the July budget hearings to review the 2025 funding requests.

Following today's hearing, the board can consider changes to the budget, and you can reduce the overall mill levy; however, you may not raise the mill levy from what has been published. The final budget must be approved on or before the first day of October under our Home Rule Charter.

Sincerely.

Brandy Madrigga Finance Director

## SUGGESTED MOTION:

Move to approve the 2025 Final Budget as presented in the amount of \$186,716,259 and direct the County Finance Director to levy the necessary taxes to support the Final Budget with a maximum mill levy on any county property of 52.55 mills as outlined in Attachment.
