RE: Request to Advertise 4-H Fruit Sales to County Employees

This is to request permission for Cass County 4-H Clubs/Council to advertise their annual 4-H Fruit Sale to Cass County employees. The fruit sale helps fund Cass County 4-H youth programs. 4-H falls under NDSU Extension Youth Development.

Employees would preorder and be notified when the fruit arrives.

Please contact me if you have any questions.

Thank you

Rita Ussatis
