Subject: Resolution Number Order Clarification

---

On the March 3, 2025 agenda two resolutions items, Resolution Implementing Spring Load Restrictions and Property Tax Resolution and Communications) were inadvertently assigned the same number, #2025-02. This item clarifies and identifies Resolution #2025-02 as the spring load restrictions and #2025-03 as the property tax resolution.

**Suggested Motion: Approve the following clarification of resolution numbers: #2025-02: Spring Load Restrictions and #2025-03: Property Tax Resolution and Communications.**
