MEMORANDUM

TO: Cass County Commission

FROM: Kyle Litchy, County Engineer 

DATE: March 19, 2025

SUBJECT: Consent Agenda Item for April 7, 2025, Cass County Commission. Purchase of attachment for excavator.

The 2025 budget included the purchase of a new excavator. The excavator was bid, is being produced, and should be delivered in April 2025. We need an attachment that goes on the excavator and helps with demolishing projects on our bridge projects and other miscellaneous projects. We solicited quotes from local vendors, but we can purchase direct through Ginnow Equipment & Specialty Inc. for less. They quoted us a price of \$9,695.00. This cost is included in our 2025 budget for Heavy Equipment.

SUGGESTED MOTION:

Move to approve the quote from Ginnow Equipment & Specialty Inc. for \$9,695.00.
