MEMORANDUM

TO: Cass County Commission

FROM: Kyle Litchy, County Engineer

DATE: May 5, 2025

SUBJECT: Agenda Item for May 19th, 2025, Cass County Commission. Purchase of culverts for County Road 26.

Attached are the documents for a quote from TrueNorth Steel for supplying multiple culverts along County Road 26. The existing culverts are past their lifespan and in need of replacement. We received 2 quotes and the culverts from TrueNorth Steel are the lowest cost and meet our timelines for delivery. These costs are included in our 2025 budget under Bridge and Culvert Supplies.

SUGGESTED MOTION:

Move to authorize the County Engineer to accept the quote from TrueNorth Steel in the amount \$129,948.94 for multiple culverts along County Road 26.
