Weed Control Progress Report

April 6, 2020

Period from March 9 to April 6, 2020

submitted by Stan Wolf

Monthly Report

Joint Powers Agreement: The Joint Powers Agreement with the North Dakota Department of Agriculture to inspect hay lands for Weed Seed Free Forage was signed by Weed Board Chairman Larry Wilcox and the Deputy Ag Commissioner Tom Bodine.

COVID-19 Response: Mr. Wolf, has been coming to work in the office every day during the COVID-19 crisis. Mr. Wolf has participated in daily Department Head meetings concerning COVID-19 and the upcoming flood.

Cass Clay Food Commission: Mr. Wolf spoke to the Cass Clay Food Commission on March 11. He described the department's noxious weed control program on county property, including county owned flood buy out lots. The Commission asked all city and county entities that conduct weed control programs to speak to the commission. The Commission is interested in providing community garden locations and other public activities that may involve county property. Mr. Wolf spoke that the department is willing to work with community groups that are utilizing county property in developing a noxious weed control program. Enclosed is a copy of the thank you note for speaking to the Commission.

Drone License: Mr. Wolf is reviewing the information on FAA Part 107 Remote Pilot Certification rules and regulations in order to take the recertification test for flying the drone.

Other activities:

Recent purchases: Lawn spray notice flags, \$141.89
Pesticide storage posters, \$ 28.06
Spill containment pallet, \$366.82

Upcoming Events:

Due to the coronavirus pandemic all public meetings have been postponed or canceled.
