Weed Control Progress Report

March 1, 2021

Period from to February 8 to March 1, 2021

submitted by Stan Wolf

Monthly Report:

ND Legislature: Mr. Wolf is reviewing various bills going through the legislative process, watching for any bills that might have an impact on noxious weed control. To date no bills of concern to noxious weed control have been identified.

NDWCA: Mr. Wolf has been asked to work with NDSU Extension weed researchers to update the Palmer amaranth Action Plan. The action plan will more clearly define the roles of NDDA, NDSU Extension, property owners, and weed officers in investigating a Palmer amaranth infestation and developing a weed control plan.

Drone Registration: The registration for the drone was renewed. The new registration is effective until May 1, 2024. Cost was \$5.00.

Mr. Wolf has been reviewing herbicides labels for updates and reviewing department policies and procedures.

Mr. Wolf is assisting Cass County Extension with the Private Pesticide Applicator recertification training. Wolf is describing the Cass County Weed Control program and describing noxious and invasive weed identification.
