Type of Project: Bridge Design

Type of Construction: Preliminary & Design Engineering

THIS AGREEMENT is entered into by and between Cass County, herein after known as the County, and Kadmas, Lee & Jackson, Inc., of West Fargo, North Dakota hereinafter known as Engineer.

I.

The Engineer shall perform the needed detailed construction design services only per Request for Proposal.

II.

The County will pay the Engineer as follows:

A. Maximum Payment: The total contract cost not to exceed \$150,000.00 unless changed according to Section VI.

III.

The work under this agreement shall be performed as required to meet the project requirements and the contractor's work schedule.

IV.

Duly authorized representatives of the County, North Dakota Department of Transportation, and Federal Highway Administration (FHWA) shall have right to inspect and copy the Engineer's plans, files, and records relating to the work included in this agreement.

All books, documents, papers, accounting records, and other evidence pertaining to the cost incurred under the agreement shall be retained by the Engineer and available for inspection by the County, North Dakota Department of Transportation, or FHWA for a period of three years after the date of final payment.

The files and records shall be available in the Engineer's office located at Kadmas, Lee & Jackson, Inc.

V.

The Engineer warrants that he has not employed or retained any company or person, other than a bona fide employee working solely for the Engineer, to solicit or secure this agreement, and that he has not paid or agreed to pay any company or person, other than bona fide employees working solely for the Engineer, any fee, commission, percentage, brokerage fee, gifts, or any other consideration contingent upon or resulting from the award or making of this agreement. For breach or violation of this warranty, the County and North Dakota Department of Transportation shall have the right to annul this agreement without liability, or to deduct from the agreement price or consideration or otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

VI.

No change in the type or extent of the work to be performed by the Engineer shall be made except by supplemental agreement in writing between the County and the Engineer. The supplemental agreement shall set forth the proposed changes of work, extension of time for preparation of the plans, and adjustment to the fee to be paid by the County to the Engineer, if any. On federal-aid participating projects any supplemental agreement must be approved by the North Dakota Department of Transportation.

VII.

This agreement may be terminated by the County and North Dakota Department of Transportation at any time upon written notice to the Engineer. In the event that such termination should take place before the completion of the total work to be performed hereunder the County will pay the Engineer for the completed hourly work not to exceed the total work to be performed under this contract.

In the event that the termination of this agreement is not the fault of the Engineer the County shall compensate the Engineer for services performed prior to the termination, along with reimbursable expenses then due.

The original copies of all drawing, prints, plans, and field notes prepared by the Engineer prior to termination shall become the property of the County. Such termination shall not affect any legal right of the County against the Engineer for any breach of this agreement.

The design services done as a result of this agreement are intended for use only on the project that is the subject of this agreement. The design services are not intended to be used on other projects. In the event that the County uses the design services that are the subject of this agreement on another project the use of the design services will be at the County's own risk.

VIII.

The Engineer shall indemnify, save, and hold harmless the County and/or North Dakota Department of Transportation and employees thereof, from any and all claims, demands, actions arising out of the negligent acts, errors, or omissions of the Engineer, his employees, or agent, in the performance of the agreement, or matters incidental thereto.

Any and all persons employed directly or indirectly by the Engineer who are engaged in the performance of any work or services required of the Engineer under this agreement shall be considered employees of the Engineer only and not of the County or North Dakota Department of Transportation.

The Engineer shall comply with applicable federal state and local laws together with all applicable ordinances and regulations applicable to the work. He shall procure all licenses, permits, and other rights necessary for the fulfillment of his obligations under this agreement.

The appropriate professional engineer (P.E.) and/or land surveyor (L.S.) endorsement shall be placed on all documents, plans, or plats.

The Engineer shall comply with Title VI of the Civil Rights Act of 1964, Executive Order 112246 and Executive Order 11375. In accordance with the aforementioned act, no person in the United States shall, on the grounds of race, color, religion, sex, age, handicap, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this agreement.

IX.

The services of the Engineer to be performed hereunder are personal and shall not be assigned, sublet, or transferred, except specialized services or additional work items. If the specialized services or additional work exceeds \$10,000.00, the contract with the agency or firm doing the work shall contain all the provisions of this agreement. The Engineer shall not engage, on a full-or part-time or other basis during the period of this agreement, any professional or technical personnel who are or have been at any time during the period of the agreement in the employment of the FHWA, the North Dakota Department of Transportation, or the County, without the written consent of the public employer of such person.

X.

The Engineer shall obtain all risk record protection insurance to cover the loss of all survey notes or all other records or data obtained in connection with the work.

XI.

The Engineer is advised that his or her signature on this contract and/or agreement certifies that the company or any person associated with it is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency; has not been suspended, debarred, voluntarily excluded, or determined ineligible by any federal agency within the past three years; and has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction on any matter involving fraud or official misconduct within the past three years.

MEMO

TO: Cass County Commission
FROM: Bob Henderson, IT Director
DATE: 1/8/2024
SUBJECT: Tyler Technologies Professional Services Agreement

Commissioners,

As part of our continuous efforts to protect the County from Cyber Security incidents, strong partnerships with industry leaders are paramount to our success. Attached you will find a Professional Services Agreement contract from Tyler Technologies.

Please note this agreement is simply to allow Tyler Technologies to work with Cass County as a Cyber Security partner. We are **not** purchasing any services at this time but wish to work on a Proof of Concept with Tyler Technologies. Due to the sensitive nature of the data used in this PoC, the agreement must be in place before it begins.

If the PoC is successful, existing funding through the IJJA State and Local Cybersecurity Grant has been applied for to implement this product and pay it's first year's subscription. Based on the success of year one and the value perceived, additional years subscription would be included in forthcoming budget requests.

SUGGESTED MOTION:

Approve Cass County Government entering a Professional Services Agreement with Tyler Technologies.

In the event of termination for cause, you will pay us for all undisputed fees and expenses related to the services you have received, or we have incurred or delivered, prior to the effective date of termination.
4. **Termination for Force Majeure.** Either party has the right to terminate this Agreement if a Force Majeure event suspends performance of scheduled tasks for a period of thirty (30) days or more. TYLER EXPRESSLY DISCLAIMS ALL WARRANTIES, REPRESENTATIONS, AND CONDITIONS OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR

FITNESS FOR A PARTICULAR PURPOSE.

3. **LIMITATION OF LIABILITY.** EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, A PARTY'S LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO THE LESSER OF (A) THE PARTY'S ACTUAL DIRECT DAMAGES OR (B) THE AMOUNTS PAID BY YOU UNDER THIS AGREEMENT. 11. No Waiver. In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.
12. Independent Contractor. We are an independent contractor for all purposes under this Agreement.

in writing and will be deemed delivered upon the earlier of the following: (a) actual receipt by the receiving party; (b) upon receipt by sender of a certified mail, return receipt signed by an employee or agent of the receiving party; (c) upon receipt by sender of proof of email delivery; or (d) if not actually received, five (5) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt requested) affixed and addressed to the other party at the address set forth on the signature page hereto or such other address as the party may have designated by proper notice. The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.

Comments

Tyler's pricing is based on the scope of proposed products and services contracted from Tyler. Should portions of the scope of products or services be altered by the Client, Tyler reserves the right to adjust prices for the remaining scope accordingly.

Unless otherwise noted, prices submitted in the quote do not include travel expenses incurred in accordance with Tyler's then-current Business Travel Policy.

Tyler's prices do not include applicable local, city or federal sales, use excise, personal property or other similar taxes or duties, which you are responsible for determining and remitting. Installations are completed remotely but can be done onsite upon request at an additional cost.

In the event Client cancels services less than two (2) weeks in advance, Client is liable to Tyler for (i) all non-refundable expenses incurred by Tyler on Client's behalf; and (ii) daily fees associated with the cancelled services if Tyler is unable to re-assign its personnel.

Payment Terms:

- Annual subscription services are invoiced in advance, on an annual basis, upon commencement of the applicable annual subscription term.
- Fees for the initial term are set forth herein. Fees for renewal terms shall be at our then current rates.
- Terms are Net 30.
- Travel Expenses are invoiced in accordance with Tyler Technologies' then-current travel policy.

Professional Services Agreement:

This Schedule of Services is entered into pursuant to that certain Professional Services Agreement between the client and Tyler and incorporates, and is subject to, all the terms and conditions thereof.

Tyler grants Client a trial period for Tyler Managed Detection and Response (MDR) of thirty (30) days (hereafter, the "Trial Period"), beginning with the installation of the Tyler MDR service. Your access to Managed Detection and Response terminates at the end of the Trial Period unless you provide written confirmation that you wish to receive Tyler MDR as a paid service. If you provide such confirmation, your year one annual subscription fee for Tyler MDR, determined with reference to the undiscounted annual fee for Tyler MDR as indicated in the Investment Summary, will be invoiced at the beginning of the one-year period commencing at the end of the Trial Period, prorated to align with the applicable maintenance or SaaS term under the Agreement. Thereafter the annual subscription for Tyler MDR shall automatically renew for additional one (1) year terms, at our then current pricing, unless terminated by either party at least thirty (30) days prior to the renewal date. Annual fees for Tyler MDR are invoiced in advance.

For the avoidance of doubt, Managed Detection & Response is a subscription service, not SaaS. Notwithstanding the foregoing language, payment of annual subscription fees for Managed Detection & Response commence on the availability of the service. Managed Detection & Response services will renew automatically for additional one (1) year terms, and subsequent subscription fees are due annually in advance on the anniversary of the

availability date at our then-current rates. Pricing is based on client's current network size as defined by their entity size. Any material increases of network size may result in additional fees being assessed for the Tyler Detect service upon renewal. The quoted Managed Detection & Response amount does not include monitoring of student devices nor analysis of student network traffic. Tyler can quote an additional fee for these services.

Exhibit B Invoicing and Payment Policy

We will provide you with the services set forth in the Investment Summary. Capitalized terms not otherwise defined will have the meaning assigned to such terms in this PSA.

Invoicing: We will invoice you for the applicable license and services fees in the Investment Summary as set forth below. Your rights to dispute any invoice are set forth in the Agreement.

1. Professional Services.
