

MINUTES OF MAPLE RIVER WATER RESOURCE DISTRICT SPECIAL MEETING
ORIGINATING AT THE CASS COUNTY HIGHWAY DEPARTMENT
HERITAGE CONFERENCE ROOM
WEST FARGO, NORTH DAKOTA
FEBRUARY 4, 2025
8:00 A.M.

A special meeting of the Maple River Water Resource District was held on February 4, 2025, at 8:00 a.m.

Present were Chad Miller, Manager; Dallas Hoffmann, Manager; Melissa Hinkemeyer, Director, Secretary-Treasurer; Elizabeth Smith, Administrative Assistant; Rita Nelson, Accounting Assistant; Sean M. Fredricks, Ohnstad Twichell, P.C.; and Alexa Ducioame, Moore Engineering, Inc. Chairman Gerald Melvin was absent.

Drain #34 Channel Improvement Project No. 2022-01 – Surface Drain Permit No. 6188 extension

The Board previously approved *Surface Drain Permit No. 6188* regarding Cass County Drain No. 34 Improvement Project No. 2022-01 at the District's meeting on April 6, 2023.

Section 89-02-01-09.11 of the North Dakota Administrative Code includes a two-year deadline on all surface drain permits. However, Section 89-02-01-09.12 of the North Dakota Administrative Code allows water resource districts to grant up to two one-year extensions. *Surface Drain Permit No. 6188* is set to expire in April. The Board recently completed right of way acquisition for the project and has not been in a position to commence construction of the project. With that in mind, the Board determined a permit extension will be necessary.

Manager Miller moved to approve a one-year extension of *Surface Drain Permit No. 6188*, and to authorize Secretary-Treasurer Hinkemeyer to provide notice of the extension to the Department of Water Resources. Manager Hoffmann seconded the motion. Upon roll call vote, the motion carried unanimously.
